"He's making such splendid progress!"
"We began using St. Charles Milk* for his feedings just three months ago at our doctor's advice and baby is gaining beautifully!"
THE youngsters grow up strong and healthy on St. Charles Milk. It is so easy to digest, and supremely nourishing... the softest form of milk you can buy.
Only the purest of fresh rich country milk is accepted by Borden's for St. Charles. This finer milk is then evaporated to double-richness and irradiated for an added supply of the important Sunshine Vitamin D.
Doctors all over Canada recognize the purity and high quality of St. Charles Milk.
Use it at every meal for the best cup of coffee or tea you ever tasted! The rich creamy goodness of St. Charles improves your cooking, too. Ask your grocer for Borden's St. Charles.
