The Letter Box

(Continued from page 2)

ject with the late Dr. R. F. Boyle, one of three outstanding surgeons at the time when I was a patient in that institution some years ago. Dr. Boyle, who, by the way, was a North of Ireland Methodist, informed me that while the Catholic Church frowned upon the systematic practice of abortion, they did not carry their objections to the point where an abortion for the purpose of saving life would be prohibited. The only question that was considered was the absolute essentiality of the operation and this was left to the doctor's own discretion and conscience. And the hospital interposed no interference with the exercise by the doctor of this discretion.

No respectable hospital, it might be added, would permit any operation which would be a violation of the Criminal Code and I cannot conceive that your correspondent is advocating any such policy.

On enquiries directed to high authority in the Catholic Church in this city today as to whether my conception of the policy of the Catholic institutions was a correct one, I am assured that such is the case.

E. F. JONES.

HOSPITAL AFFAIRS

Editor, Daily News:

I am and have been a member of the Hospital Association for the past twenty-five years. I see by an advertisement in your paper that the Association has been called in extraordinary General Meeting on Monday next to consider a proposal respecting the Prince Rupert General Hospital. The notice does not state what the proposal is and I consider it only fair to the members that they ought to be informed beforehand what the proposal embraces.

So far as I have been able to ascertain by enquiry, the proposal is to consider the acceptance or non-acceptance of an agreement

VOLUNTEER FIREMEN

Applications for Volunteer Firemen to supplement the permanent staff, may be filed at the City Hall. Applicants must be single. Sleeping quarters will be provided in Fire Hall, and remuneration will be allowed for practice and fire calls.

to turn over the equipment, cash and other assets of the Hospital Association to the Sisters of St. Anne, a Roman Catholic Order who, for this consideration, will build a Roman Catholic Hospital that is to say that we, the Hospital Association, representing the public interest in a public institution, are to be asked to turn over, without any say as to the ultimate disposal thereof, assets amounting to considerably over \$100,000, to an Order which undertakes to build a hospital costing not less than \$200,000. This, to my mind, would be a breach of trust as the money subscribed by the citizens and the government in the past was subscribed to a public institution and not to an institution under the rule of any religious or other body.

The Prince Rupert General Hospital is an undenominational institution, as it should be, with complete freedom as to treatment between patients therein and their medical advisers and we are to be asked to turn this over to a body who will erect a hospital in which doctors will only be allowed to practice under agreement that, no matter what the wishes of the patient may be, certain operations and medical practices will not be performed, even to save the life of a patient.

That there has been criticism of the hospital management I will not deny but the criticism has not been made in the proper place. There has been a lack of interest in hospital matters in this city and it is the duty of every public spirited citizen to belong to the Hospital Association. Then, if he has criticism to offer, come to the meetings and offer it there and

not on the street corners as is done at present. Take an active interest in the election of the Hospital Board and see that you get the best men on the board, men who will do fairly and justly by all parties, whether patients, doctors or the public.

Do not be stampeded into giving away your rights as a citizen for assuredly if you do, you will regret that you were so shortsighted as to hand them over to a body over whom you have no control and who will never allow any interference in the management of hospital affairs.

If the Sisters of St. Anne wish to show that what they purpose to do is only in the interests of suffering humanity, let them make a substantial donation to the funds necessary to build such addition to the present hospital as is necessary to bring it up to date.

I hear street rumors that a very strenuous campaign is being conducted by interested parties to get members on the list who are favorable to a Roman Catholic Hospital so that, by a packed meeting on Monday, they may vote the present hospital away. Don't let this be put over. Join the Hospital Association immediately and be at the meeting on Monday to show that we, the citizens of Prince Rupert, can run our hospital without outside interference from anybody.

FISHERMEN ARE DINED

Enjoyable Farewell Banquet Staged By Sons of Norway Last Night

A very enjoyable farewell banquet for halibut fishermen prior to the start of the halibut season was held last night by the Sons of Norway Lodge in the Oddfellows' Hall, about one hundred being present. Gunnar Selvig was in the chair and gave an address as did also Oscar Sather. There were readings by Harold Helland. For dancing which followed accordion music was provided by Richard Giske.

The committee in charge consisted of Mrs. A. Wick, Mrs. K. Slatta, Mrs. A. Dybavn, Mrs. Chris Jensen and Mrs. E. Skog.

BASKETBALLERS ARRIVE

The motorship Eskimo was due in port early this afternoon from Ketchikan, bringing in the Ketchikan basketball team which will play a series of games with local Seniors tonight and tomorrow.

NELSON, March 5.—In the first of the provincial hockey play-offs here last night, Nelson Maple Leafs defeated Vancouver Canadians by a score of 5 to 1.

MARGIN IS INCREASED

Lambie & Stone Better Lead In Basketball—Scythians Win Over Metlakatla

Lambie & Stone increased their margin of leadership in the Senior Basketball League by scoring a decisive 66 to 36 victory over Grotto last night.

In an Intermediate League exhibition game, the Scythians had no difficulty in disposing of Metlakatla by a score of 37 to 17.

Annette's moved out into the leadership of the Ladies' League with a close 17 to 16 victory over Grotto with whom they had been tied.

Junior Moose joined King Edward High School as runners-up in the Junior League by scoring an easy 19 to 10 victory over the long-suffering Seal Cove quintet.

VANCOUVER, March 5: (CP)—Wheat was selling today at \$1.28.

These Homes Depend on Each Other

TAKE a row of homes in any street — your own, for instance. You chat across the hedge about roses or tomatoes, but it probably doesn't occur to you that each of your neighbors helps to pay your rent or taxes, and to buy the food, furniture, clothing and other things that make life worth living.

What affects one, affects all. Should the automobile plant shut down or curtail production, the steel, rubber, paint, glass, textile and numerous other industries will suffer, too. The railways will have less freight to haul. Stores, restaurants, theatres will feel the pinch. There will be less money in circulation.

The man next door may work in an automobile plant. On the other side of you live men employed in paint and rubber factories. Across the street are a baker, a railwayman, the foreman of a textile mill, a steel plant superintendent, a shoe salesman and a theatre employee.

We Again Remind You... that the automotive industry not only in itself is an important unit in the business life of Canada, but that the manufacturing of cars and trucks entails the purchase of finished and raw materials from many other industries. Anything that would retard orders from automobile manufacturers would seriously affect many other important company payrolls.
