Prince Rupert Celebrates CORONATION

Commencing
Tomorrow

#### Tomorrow

Never in the history of the British Empire has there been preparation for a coronation on scale approaching those which have been made for tomorrow's great event. In every part of the British Commonwealth the people are planning to indicate in no uncertain manner that they appreciate the liberties which they enjoy and that they prefer the present form of government to that of any other yet tried.

Doubtless there are weaknesses in the system but this is not the time to discuss them. If there are weaknesses, they can be strengthened. If there are flaws, they can be mended. For hundreds of years the British constitution has been building. Mistakes, of course, there have been and will be made. We are still building on the experiences of the past and will continue to build.

The outburst of loyalty which will reach its peak tomorrow is a revelation to the world and a lesson to those who would tear down the fabric which it has cost so much to erect.

Evidently sentiment is an irresistable force when backed by justice and pregress, such as is seen in the English speaking countries.

"Long May They Reign"

"God Save the King"

### Prince Rupert Ready

The stage is all set for what gives every indication of being the greatest and most colorful celebration in the history of Prince Rupert. Elaborate preparations have been made and it will be a gala day in this community. Everything now depends upon the Weather Man.

The people of the city are showing an enthusiasm for this occasion the like of which has not been seen here in many a long day. The entire population seems to have caught the spirit of the occasion. Numerous district visitors will be here—practically the entire population of the immediate neighborhood. Entire native villages are moving in, bringin their bands, their athletes and their supporters.

Promptly at 10 a.m. the proceedings of the great day will get under way with the service of thanksgiving in the Capitol Theatre followed by the grand pageant parade at 11:15 a.m. Sports will open with the exhibition baseball game at 1 p.m. followed by field sports from 2:15 to 6 p.m.

The grand pyrotechnic display at 9:30 p.m. will be a new and distinctive feature and a fitting prelude to the two dances in the evening—one in Moose Hall, the other in the Armory.
