Present Halibut Seas Considerably Ahead & & Year, Records Sh &

Over a million pounds o. halibut more than last year has been landed at Prince Rupert and the verage price has been considerably higher than last year, according to official records based on the halings at the local fish exchange. Up to and including today the total landings by Canadian boats was 5,158,400 pounds s compared with 3,946,700 pounds t the same date last year.

For the month of July to date he total landing of halibut at Prince Rupert w a s 2,256,500 pounds of which \$18,500 pounds was American and 1,438,000 Canadian. There have also been small quantities of fish that did not sell at the exchange and of which no record was kept.

Comparative average prices have not been made up yet but is evident that the average his year has been considerably higher than last year.

British Took Effective Steps To Prevent Riots In Palestine

With over 12,000 troops standing at the qui vive to crush any incipient disorders, British High Commissioner Sir Arthur Wauchope (second from left below) and his associates charged with the task of govern a Palestine, awaited reaction of the million-odd Arabs and 400,000 Jews to publication of proposals to divide the Hely Land into three zones and set up separate and independent sates for Jews and Arabs. The proposal it is reported, has since been dropped owing to opposition from both Jews and Arabs. At the right is Tel Aviv, a purely Jewish city, wi h a British airplane flying over it and at top left is an Arab orator urging the people to resist the encroachments of the Jews in a country which they consider their own.

More Fighting In China Both At Tientsin Around Ancient Peipin

Comment of Japanese Minister on Attitude of United States as to Neutrality Law Enforcement

TIENTSIN, July 31:-Fighting broke out at the Central Railway Station here as Japanese troops attempted to clamp complete control on the commercial gateway to North China. The new hostilities started when Japanese officers attacked a Chinese unit still entrenched nearby despite two day's bombardment.

In Tokvo Foreign Minister KiKi Hiroto told the Japanese Parliament that the United States apparently was not intending to apply the American Neutrality law which bans the sale of military supplies to warring nations to the Sino-Japanese Military situation.

At Peining Jananese machine guns sprayed destruction into the ranks of the retreating Chinese gendarmes as the Japanese war machine virtually completed encirclement of the ancient capital of China.
