Advisory Service For Hospitals Is Being Established Latest

The hospital board was advised for the year 1937 raised a discus- | sponsor a resolution urging + at its meeting last night in a letsion at last night's meeting of the & that the gove nment coin one 4 ter from the provincial secretary, hospital board as to the advisabil- | million silve: dollars as a + of a new advisory service which ity of retaining a parcel of 10.6 remento of the coronation of retaining a parcel of 10.6 rements of the coronation of was being set up for hospitals by + the provincial government with Dr. • G. F. Amyot in charge and with Percy Ward, manager of the North Vancouver Hospital, as his assistant. The plan is to assist hospitals not only with problems of technical service but also to give advice in connection with finances management. There will also be periodical inspections and it was suggested that either or both Dr. Amyot and Mr. Ward might be expected to visit here. Meantime, the board was invited to refer to them any problems upon which assistance might be desired.

Demonstrators in Spanish City Would Storm Jails and Execute Revenge on Socialist Prisoners

BAYONNE, France, Jan. 16: (CP) - Thousands of demonstrators are reported parading the streets in insurgent Pamplona, Spain, threatening to storm the city's prisons and execute eye for eye vengeance on over two thousand Socialist prisoners. The demonstrators are said to

be incensed over alleged massacre early in the week of two hundred insurgent hostages at
