George V was King then and next to him the most popular figure in the Empire was the Prince of Wales; but the Prince had shown himself to be a sluggard as regards marriage, and next in line for the throne was his brother, the Duke of York, and after him, his children. Thus, from the moment of her birth Princess Elizabeth was third in line for the succession. Only the advent of a baby brother could break her sovereign destiny. She was christened under prophetic circumstances in the private chapel of Buckingham
