

GONE ON LONG HOLIDAY TRIP

Mr. G. O. Monroe, of The News Staff, Will Have Winter Holiday in West Indies.

By the steamer Prince Rupert there left this morning Mr. G. O. Monroe of the office staff of The Daily News, who is going on a long vacation trip to his home in Boston, and from there will join a holiday party to spend the winter in Jamaica.

Mr. Monroe has been in Prince Rupert since the early days, and has well earned the vacation holiday that he now goes to enjoy. After vacation he will either enter into business in the east with a former partner or, as is more likely, return to Rupert for keeps.

Shruball's Popular Market.

Leads always in all fruits, vegetables, poultry, game and fish. Their stock for Saturday consists of most every variety in season. The special will be Japanese oranges at 75c per box, which insures a rapid sale of this luscious fruit. Vancouver local chickens, 30c per pound. Genuine Scotch kippered herrings. Shruball, the same old man in the same old place.

INQUEST OPENED

Coroner McMullin and Jury View Remains of Dead Hunter.

An inquest was opened at 2 o'clock this afternoon concerning the death by gunshot wound of Muske Ratjovich, who was brought to the general hospital by train in a dying condition yesterday afternoon. Proceedings were opened in the police court room before the Supreme Court sat, the Coroner, Mr. McMullin, and jury adjourning immediately to Fisher's funeral chapel to view the remains.

SPECIAL.

We have just received an over-shipment of fine turkeys. 27½c to 35c per pound. Central Market, Third Avenue. 2t

Admiral Schleys Own Story

A man died the other day, and with his death passed America's most popular naval hero—popular because championed by the people, though officially denied the full fruits of his long and brilliant service. This man was Admiral Schley, hero of Santiago, one of the great sea-fighters of history. Shortly before his death Admiral Schley completed for Cosmopolitan a series of articles giving his personal recollections of his forty-five years in the navy. He was not anxious to do this for there was at least one old story that an autobiography must reopen. But we urged upon him the fact that nearly four million readers would see each instalment of his story, and most of these readers believed, with Admiral Dewey, that the men who stood on the deck of the Brooklyn that July Sunday in '98 was entitled to the glory of that great victory. So he consented. Not in the cut and dried way, but unlocking his secret soul as he had never done before. The first instalment of the autobiography, the life story of a man worth while in the nation's history, appears in the Christmas number. Subscription to Cosmopolitan will be accepted until December 10th at the special low rate to Canada of \$1.50. Cosmopolitan Agency, Box 851 Winnipeg.

WILL HAVE HOT TIME

Meeting of Conservative Club Is Scheduled for Tonight.

The Conservative Club is scheduled to hold a meeting tonight, and a warm time is expected. Some of the insurgents in the party are up in arms about the distribution of the local patronage.

Mr. J. F. McDonald, who is in town, will probably address the meeting.

UNIQUE RETAINING WALL

Nothing Like It in Heavens Above or Earth Beneath.

"Did you ever build a retaining wall of this kind?" asked City Solicitor Peters in cross-examination of Mr. Pillsbury yesterday.

"No, and I don't think anybody else did, either," replied the engineer. (Laughter, promptly suppressed.)

"I do not say this to cast any discredit on the City Engineer," added Mr. Pillsbury, "but rather that I think the city did the best possible with the funds at its disposal."

Water Notice

I, Alfred Christian Garde, of Prince Rupert, occupation Mining Engineer, give notice that on the 28th day of December, 1911, I intend to apply to the Water Commissioner at his office in Prince Rupert for a license to take and use two cubic feet of water per second from an unnamed stream in the District of Coast Range, Skeena Division, 1-4 mile east of the Tye Station, G.T.P. Ry. The water is to be taken from the stream about one half mile above its outlet, and is to be used for developing power for a quarry situated at the outlet of said creek, along the Railway grade.
