Former Local Man Saw President On Trip To Victoria

Mr. and Mrs. T. H. Johnson write to say that they are enjoying Victoria very much. The gardens and the surrounding country they say are very pretty.

The former Prince Rupert residents say they saw President Roosevelt and he appeared to be pleased with the reception given him. The city was decorated with flags and a large crowd turned out to greet him and members of his family who were with him.

Mr. and Mrs. Johnson plan to leave Victoria about the end of this month for San Diego, California and will there meet Mr. Johnson's brother and his wife and daughter who are arriving for a lengthy stay on the coast early in November.

KEEP YOUR LIVER ACTIVE

And You'll Feel Wonderful—Never Headaches, Tired, Sick, Constipated

Your liver is the largest organ in your body and next to the heart the most important. It does four things. It supplies the body's natural laxative, gives proper nourishment to your blood, helps the kidneys and stomach, supplies the muscles, tissues and glands with energy. You can't feel well if your liver isn't well. System becomes poisoned and you feel "rotten". "Fruit-a-tives" quickly make your liver healthy. You soon feel like a new person. A celebrated doctor's formula—fruits and herbs—has given perfect health to thousands.

THE Secret Life of MARY JONES

UNLIKE most busy young wives, Mary Jones had a secret life all of her own. A happy quiet interlude in bustling days that was hers alone to do what she pleased. These "secret" extra hours gave her time to read, sew or rest—and do a hundred and one things lots of women never find time for. This was possible because she had learned of a secret baking method that enabled her to make bread and rolls in half the time with only a quarter of the work. This secret—and this leisure—can be yours too—if you'll just write to The Quaker Oats Co., Dept. 900, Saskatoon, Sask., for a FREE booklet entitled—"The Quaker Easy Method of Bread Baking"
