WORKED FOR

Was More Social Justice

bert Filene, Boston merchant, noted result, Prince Rupert had the heavpublicist and internationally known lest day's landings of halibut in its business economist, died in Paris history with a total of 677,000 Sunday night.

Often called the apostle of mass production and distribution, Filene follows: preached a gospel of low cost production and high wages, of social vice. He practiced his precepts as 6c. one of the co-owners of the largest specialty store in the world, Wilways tried to exemplify what he urged upon other employers.

There, 3000 employees benefited to an unusual degree by the liberality of Mr. Filene and his brother, A. Lincoln Filene, who long before 6c. the turn of the century had established the Filene Co-operative association, which gave to the firm's workers powers greater in many respects than those of the manage-I ment itself.

The idea was called revolutionary 000, Cold Storage, 8c and 6c. by some competitors but the Filenes regarded it simply as giving effect to their conceptions of social jus-

important gatherings both at home and abroad. He helped to found the Boston Chamber of Commerce the United States Chamber of Commerce and the International Chamber of Commerce.

He presented his ideas on mass distribution and its effects upon the standard of living to the first world social economic congress, held in Amsterdam, Holland, late in August 1931. He preached the gospel of maintaining wages and lowering prices a few days later to a large audience in Leipzig. Germany.

He helped to reduce economics and business theory from the more or less abstruse language of the text book to the understanding of every day man. Always he emphasized the social side of the mechanics of business.

Canon Rushbrook is Interesting Speaker Before British-Israelites

Canon Rushbrook gave an absorbing address last evening to a good gathering of British-Israelites and their friends on recent archeological discoveries proving historic veracity of the Bible.

Excavators in ancient Babylon had recently unearthed tablets and cylinders showing that writing of a high order was in common use, before the Flood at which time a wonderful civilization was illustrated by contents found in graves and ruins of houses.

Many who had doubted the book of Genesis had had their faith restored in the bringing to light of inscriptions of persons, places and
