Reduce Varicose Or Swollen Veins

This Safe Easy Way—Prove It At Small Cost

Swollen veins may become dangerous and sometimes break. Before resorting to operations or injections sufferers are advised to get an original bottle of Emerald Oil at Ormes Ltd. or any pharmacist and start to reduce the veins and bunches at once with this healing oil. A small bottle will last a long time because it is very concentrated and a little goes a very long way. Apply night and morning with a soft brush or finger tips as directed until the swelling is reduced. So effective is Emerald Oil that it is highly useful in reducing troublesome simple swelling due to strain and hastens their disappearance.

Dinner Swells Cancer Funds

Ten Dollar a Plate Pre-Coronation Affair in Vancouver

VANCOUVER, April 29: (CP)—Citizens of Vancouver who attended the $10-a-plate pre-Coronation dinner here in aid of the British Columbia Cancer Foundation paid about 17 cents a minute for the privilege.

Guests who called for a second cup of coffee before Premier T. D. Pattullo began his speech were assessed 25 cents. Other guests who left a mushroom untouched on the plate paid a dollar and the unfortunate person—there was one—who upset a plate of chicken salad paid dearly for the waste of food.

Stop at the Fraser Hotel when visiting Stewart or Hyder. The only steam heated hotel in Portland Canal district. (tf)
