A CAVE MAN

Feel Full of Life-No More

Tired, Dull, Heavy Mornings

Keep your liver healthy and you'll feel great every morning. When you wake up

feeling "rotten" your liver is out of order.

Your liver clears the blood of poisons,

eparates the nourishing part of your food

rem the waste. Supplies energy to muscles,

tissues and glands - gives out bile, the body's

laxative, helps stomach, kidneys and in-

testines to work properly. A mere bowel

movement isn't enough. "Fruit-a-tives"

made from fruits and herbs, will strengthen

and build up your liver like nothing else will.

You'll be amazed how well you are every

morning. Try Fruit-a-tives. All druggists.
