DEPARTMENT OF MINES

Synopses of Mining Laws

MINERAL ACT

Free Miners' Certificates

Any person over the age of eighteen, and any Joint Stock Company is entitled to enter upon all waste lands of the Crown and upon any other lands whereon the minerals other than coal are reserved to the Crown and its licensees (with specific reservations), for the purpose of prospecting for minerals, locating claims, and mining. The fee to an individual for a Free Miners' Certificate is $5.00 for one year. To a Joint Stock Company having a capital of $100,000.00 or less the fee for a year is $50.00; if capitalized beyond this the fee is $100.00. The Free Miners' Certificates run from date of issue and expire on the 31st of May next after its date or some subsequent 31st of May. Certificates may be obtained for any part of a year terminating on 31st of May for a proportionately less fee. (Free Miners' Certificates are also applicable to the Placer Mining Act.)

Mineral Claims

Size: 51.65 acres.
Recording fee: $2.50 per claim.
Representation: Assessment work to the extent of $100.00 must be done each year and recorded on or before the anniversary date of record of the claim. Cash in the sum of $100.00 may be paid in lieu of such assessment work. Fee for recording assessment work, $2.50. If the required assessment work has been performed within the year, but not recorded within that time, a free miner may within thirty days hereafter record such assessment work upon payment of an additional fee of $10.00. The actual cost of the survey of a mineral claim to an amount not exceeding $100.00 may also be recorded as assessment work. As soon as assessment work to the extent of $500.00 (or cash paid of a like amount) is recorded and a survey made of the claim, the owner of such claim is entitled to a Crown Grant on payment of a fee of $25.00, and giving the necessary notices required by the Act.

PLACER MINING ACT

Four types of placer claims:
Creek diggings; bar diggings; dry diggings; and precious stone diggings. (For details see Part II, Placer Mining Act.)
Representation: A placer claim must be worked by the owner or someone on his behalf continuously as far as practicable during working hours. Lay-overs and leaves of absence may be declared by the Gold Commissioner under certain conditions. To hold a placer claim for more than one year it must be re-recorded before the expiration of the record or re-record.

Placer Mining Leases

Size and method of staking, etc.
Eighty acres in extent, staked along a "location line" not more than one-half mile in length. In this line one bend or change of direction is permitted. Where a straight line is followed two posts only are necessary, i.e., an "initial post" and a "final post." Where there is a change of direction a legal post must be placed to mark the point of the said change. The leasehold is allowed a width not in excess of one-quarter mile. The locator is required within thirty days after the date of the location to post a notice in the office of the Mining Recorder setting out the name of the applicant; the number of his free miner's certificate; the date of location; the number of feet lying to the right and left of the location line; and the approximate area or size of the ground.
Dredging leases on rivers for five miles below low-water mark are also granted.
Fees: Annual rental on placer mining lease, $30.00; annual development work required to be expended, $250.00; annual rental on dredging lease, $25.00 per mile; annual development work required to be expended, $1,000.00 per mile; the value of any new plant or machinery employed to count as money expended in development. Fee for recording certificate of work, $2.50. Lease fee, $5.00.

Provisional Free Miners' Certificates, (Placer) Act

Department of Mines Act

Among other things, these Acts provide for the staking and representing of placer claims without payment of fees, and assistance to prospectors by free assays, etc.

A detailed synopsis of the above Acts, also the "Mines Development Act", "Mineral Survey and Development Act", "Iron and Steel Bounties Act", and "Phosphate-mining Act", are available at the Department of Mines, Victoria. Complete copies of the Acts may be obtained from the King's Printer, Victoria.

RELIEF IS DISCUSSED

Conference Held Between Unemployed and Various Organizations

A conference was held Saturday night on behalf of the unemployed of Prince Rupert and their dispute with provincial and civic authorities in regard to the present relief scale and the strike that is now on. Charles Chapman was chairman and G. P. Murphy recording secretary. The conference was called by the strike committee and was attended by delegates from the following associations and unions:

Dean Gibson of the Prince Rupert Ministerial Association.
George Anderson, Deep Sea Fishermen's Federal Union.
W. A. Pilford and R. Burns, Longshoremen's Association.
A. C. Morse and Oscar Larsen, Co-operative Commonwealth Federation.
L. J. Gillis, Prince Rupert Trades and Labor Council.
George Murray, Canadian Legion.
M. Hapla, Prince Rupert Co-operative Association.
Mrs. C. L. Intermela and Mrs. Doane, Women's Labor League
O. White, strike committee.
B. Korhonan and G. P. Murphy, Prince Rupert Unemployed Association.

Dean Gibson spoke at length on the situation as he knew it and was convinced that more relief was needed. He was also in accord with a motion made by G. Murray which read—"Moved that this committee recommend to the strike committee that they interview Commissioner Alder and request that the unemployed be reinstated without the need of working back relief—and the relief to be payed in the usual way before returning to work." The motion was carried unanamously.

J. J. Gillis of the Prince Rupert Trades and Labor Council said there was pressing need for organization and that more should be done to co-operate with different progressive organizations in order to realize the unity of the working class. He also said that the history of the working class movement showed and proved conclusively that, without continuous struggle against their oppressors, the workers had gained nothing. Unity of all progressive forces was the driving power of the labor movement.

Others spoke and discussed various points at length.

Seattle Landings Last Week—Cannerymen are Moving North—Trying to Line up Vancouver

A total of 697,000 pounds of halibut was landed in Seattle last week. San Juan, taking 166,000 pounds, was the heaviest buyer. Western fish prices for the week were up to 9⅛c and 7½c and local up to 11½c and 8c. On Saturday only one halibut boat sold at Seattle, this being the Mermaid which disposed of 8,000 pounds to Booth at 11¼c and 8c.

George Harris, manager of Mill Bay cannery, which will be operated as a camp this summer, and Watson Noble, storekeeper of the cannery, were here aboard the Catala last evening going north to the Naas River for the season.

A. L. Stewart, manager of Butedale cannery, came north from Vancouver to Butedale on the Catala yesterday.

C. F. Griffin, accountant of Arrandale cannery, was a passenger aboard the Catala last evening going north to the Naas River for the season after spending the winter in Vancouver.

Union steamer Catala, Capt. James Findlay, arrived in port at 6:55 last evening from the south. The vessel sailed a couple of hours later for Port Simpson, Stewart and other northern points including Wales Island, where she will load 5,000 cases of canned salmon, and is due back here on Tuesday southbound. Before arriving here last evening, the Catala called at Inverness with R. G. Johnston, cannery manager who has been spending the winter in Victoria, and members of his crew. Also disembarking at Inverness were four men for Port Edward where B. C. Packers is putting in a fish meal plant.

According to the latest information from Vancouver, the halibut fleet of that port is still insistent upon having a halibut marketing organization of its own separate from Prince Rupert. However, there is still believed to be a chance that the fleet of the southern British Columbia port may yet line up with Prince Rupert under the provincial marketing board which has already been constituted. There was to have been a meeting in Vancouver Saturday night with H. M. Daggett, secretary of the marketing board from Prince Rupert, in attendance. When the board was constituted, it was on the understanding that there would be a poll of the Vancouver fleet by June 15.

Northland Transportation Co.'s motorship liner Northland, Capt. Len Williams, arrived in port at 12:40 midnight Saturday from Ketchikan and, after discharging two carloads of frozen halibut and one car of fresh for transhipment East over Canadian National Railways, sailed in continuation of her voyage to Seattle.

C. P. R. steamer Princess Norah, Capt. William Palmer, is due in port at 3:30 this afternoon from Skagway and other Alaskan points and will sail an hour or so later for Vancouver.

FILM HAS NEW STAR

Gladys George Heads Cast Of Dramatic Picture "Valiant Is the Word for Carrie"

Gladys George, noted on the stage for her ability in dramatic and emotional roles, makes her screen debut in the leading part of the talking picture version of the novel "Valiant is the Word for Carrie," which is the first of the week offering at the Capitol Theatre here. The mother role she depicts in this film is said to set a new high standard for such portrayals. "Valiant is the Word for Carrie" is the gripping story of a woman who finds her resurrection in raising two homeless waifs to manhood and womanhood. A situation arises in which she is forced to make a decision which means either jail for her or revelation of what she was in the long distant past. She makes her decision without compunction or remorse in a most compelling climax. The supporting cast includes Arline Judge, John Howard, Isabel Jewell, Harry Carey, Dudley Digges, William Collier sr.

This first of the week picture program includes two outstanding short features. One is entitled "Fashions in Love" and is a noved way using excerpts from pictures dating back three decades, shows how the screen's love technique has changed during that period. There are scenes showing Mary Pickford, Owen Moore, Wallace Reid, Bebe Daniels, Pola Negri, Rod LaRoque, Rudolph Valentino, Doris Kenyon, Clara Bow and Mae West. "Gymnastics," narrated by Pete Smith, will be particularly interesting to those devoted to physical education.
