Tuxis Boys And Trail Rangers

Happy Gettogether Hears Talk by Ernest Wilding

Last night a very pleasant repast was held in First United Church when the "Crusaders" Tuxis Square and the "Hawks" Trail Rangers met together.

After full justice had been done to the menu of pork and beans and pie, Maurice Davey, as chairman, introduced the speaker of the evening, Malcolm Wilding. He spoke of his recent visit to England, briefly mentioning the scenic trip across Canada and the interesting time spent in sightseeing in London and Croydon airport.

Wilfrid Hicks and Kenneth Harding also spoke briefly as mentors of the two groups. They referred to the friendly relationships between the groups—the Trail Ranger group meeting on Wednesdays for boys 12 to 15 years of age, and the Tuxis Square on Thursdays for boys 15 to 18 years of age. Activities of the groups are many, including such hobbies as photography and woodwork.

"He's such a good baby!"

"Neighbours envy us. We tell them to use St. Charles Milk for their babies, too!"

ST. CHARLES MILK is so nourishing, so safe, it is small wonder that babies all over the country are thriving on its goodness.

Purest of rich country milk evaporated just a few hours after milking time, St. Charles is always extra fresh... and extra good because it is irradiated for an added supply of the important Sunshine Vitamin D.

Ask your doctor about St. Charles for your baby. He knows its purity and high quality.

St. Charles improves your cooking. Makes a more delicious cup of coffee or tea.

THE FOOD WAY

Did you know that the most common type of constipation is caused usually by insufficient "bulk" in meals? Neglect of constipation may bring headaches, loss of appetite and energy. You feel miserable.

TO RELIEVE

2 Kellogg's ALL-BRAN is a "bulk" food that absorbs water like a sponge. ALL-BRAN acts naturally—forms a soft mass within the colon— aids regular elimination. Unlike certain pills and drugs, it is not habit-forming.

CONSTIPATION

3 Serve ALL-BRAN as a cereal with milk or fruits, or cook into appetizing muffins, breads, etc. Just eat two tablespoons daily. Severe cases, with each meal. Buy this food at your grocer's. Made by Kellogg in London, Ontario.
