**THREE DAY CURE FOR DRINK HABIT**

Appeals to the Business and Professional Man, the Banker, and Man in all the Higher Walks of Life

**BECAUSE OF THE TIME IT SAVES THEM**

When a man's time is worth a great deal more to him than the cost of a drink habit cure he is not going to drag along for twenty-eight to forty-two days taking a treatment when he can get a cure in three days, without hypodermic injections, and be surrounded with every comfort of home.

**A PERFECT CURE.**

The Neal internal treatment cures the periodical, occasional or moderate drinker and the nervous man who has to drink to keep from becoming nervous. It takes away all inclination to drink, all desire and craving to drink, by neutralizing the poison of alcohol in the system and ridding the blood of the poison by a rapid system of elimination, leaving the drinker in the condition that he was before tasting liquor, so far as the effect of alcohol may be concerned—all appetite for drink gone—and he a new man.

The treatment consists of the internal administration of a harmless remedy, tonic in its action, that removes the craving for liquor in a very few hours.

**DRUG HABIT CURED.**

At the Vancouver institute we also treat drug addictions with uniform success. Call, write or phone for booklet, giving full information.

New Buildings Contemplated and Increase of Staff Proposed.

In order to bring Digby Island wireless station into line with some of the other coastwise stations having a wide range of utility, and working both night and day shifts of operators, the department proposes to add at least two operators to the staff at the Digby Island station, and to provide for the increase of staff and equipment necessary new buildings will be erected at the wireless station. Frame buildings, such as those already in existence there, are planned, and work will start on them shortly.

**Death of Musike Radjovich Inquired Into at Inquest.**

After hearing what little evidence there was available in connection with the death of Musike Radjovich, the young Montenegrin who died in the hospital from a gunshot wound caused by his own rifle, the Coroner's jury last night returned a verdict of "accidental death." Deceased was alone at the time the fatal shot was fired.

**Engage Probationers.**

Two probationers are to be engaged at once by the Hospital Board for training at the General Hospital, and probably two more will be engaged before long. The hospital is always busy, though not with Prince Rupert patients, all the time as it serves a wide outlying district, and the training promised probationers should be thorough.

**Water Notice**

I, Alfred Christian Garde of Prince Rupert, occupation Mining Engineer, give notice that on the 28th day of December, 1911, I intend to apply to the Water Commissioner at his office in Prince Rupert for a license to take and use two cubic feet of water per second from an unnamed stream in the District of Coast Range 5, Skeena Division, 1-4 mile east of the Tye Station, G.T.P. Ry. The water is to be taken from the stream about one-half mile above its outlet, and is to be used for developing power for a quarry situated at the outlet of said creek, along the Railway grade.

ALFRED CHRISTIAN GARDE  
Dated Nov. 28th, 1911.                    d-27
