(15) "For you all know security 'Is mortal's chiefest enemy."

> From his earliest known history, security has been man's ideal, which has eluded him down to our times. The great adapter Shakespeare knew this when he put these words into the mouth of Hecate whose straits separate us from Queen Charlotte Islands.

Security from cold, however, you can have when you buy Albert & McCaffery's coal. For twenty years it has been the best available. It is the best today. And if better could be got, we would have it. It gives (tf) you the most heat for the least money-and that's what you want.

trex Tonic Tablets contain ray just phone 116 or 117 to Albert & oyster invigorators and othe McCaffery and order Nanaimostimulants. One dose peps up or Wellington for furnace and heater; gans, glands If not delighted Alberta-sootless for the kitchen

Fiddle" with Ramon Navarro and Jeanette MacDonald heading cast of well known and popular

"Society Doctor" is a novel drama of hispital life, telling the story of the competition of two young doctors for the love of a pretty nurse. There is thrilling action from start to finish of the picture, the high point being when one of the doctors (Morris) is shot by a gunman and the other (Taylor) saves his life by operatrefused to take the chance.

"The Cat and the Fiddle" is a smashing romantic hit which was very popular on Broadway. It is the first time that Navarro and The Canadian Labor Defence Miss MacDonald have ben teamed Prize-winners at cards were: Butterworth, Jean Herscholt, Vi-

Over \$22,000,000.00 was paid by the Automobile Manufacturers in salaries and wages during 1936. Yet this huge sum is dwarfed by the wages paid in the factories that produce the materials and parts that go into a completed car, which wages are built in large part on our purchases. Other Canadian industries — glass, steel, rubber, textile, paint, chemical; to name a few are stimulated by the manufacture and sale of Canadianbuilt cars. The prosperity of their employees is likewise affected as is that of those who supply their individual
