RHUBARB SAUCE

Forced rhubarb is now available on the market and may be used in various ways in the household. Apart from rhubarb stewed or baked, rhubarb gives the distinctive touch to tapioca puddings, tarts, sherberts, gelatine and shortcakes. The juice makes a delicious cooling drink. Also the juice combined with sugar and the stiffly beaten white of an egg makes an enticing creamy sauce, and some people declare that one of the fin-

est combinations ever tasted is

together. The easiest way to prepare rhubarb is in sauce. One method consists of first making a thick syrup of sugar, cutting the rhubarb into pieces about half-an-inch long, |dropping the pieces into the syrup, | and cooking until tender. This takes only a few minutes. Another method is mixing two parts of the fruit to one part of sugar and cooking them until the liquid oozes out and forms a syrup.
