ABDUCTION OR MURDER

Mrs. Alice Parsons, Long Island Socialite, Disappears Mysteriously From Home

STONYBROOK, N.Y., June 10: (CP)—Two theories—kidnapping or murder - confront United States government investigators seeking to unravel the mystery of the disappearance of Mrs. Alice Parsons, 38-year old New York social registrite, from her fashionable home on Long Island.

Bolstering the abduction theory is a note to the woman's husband. William H. Parsons, dehusband, William H. Parsons, demanding \$25,000.

In support of the murder theory is a blood-stained axe found on the grounds of Parsons' chicken farm but it is suggested that the axe might have been used in killing chickens.

DRILLING

Property by F. W. Guernsey

F. W. Guernsey, who is developing the well known B. C. Pyrites mining property on the Ecstall River, announces that he will let a contract in Vancouver within a few days for the diamond drilling of the ground. There are at present some fourteen men employed at the mine. Later a geo-physical examination will be undertaken. on the rather extensive program of exploration work which is now being carried out will depend the future line of action.

Mr. Guernsey left on last evening's train for Prince George enroute to the Island Mountain mittee for Industrial Organization. Mr. Guernsey is, apparently, not worrying. "The gold is still in the mine," he remarked yesterday. "It is just as good as money in the bank to us."

Tonight's train, due from the on the New York metal market East at 10:20, is reported to be thirty minutes late.
