## Referendum On PULP MILL CONCESSIONS

The following is a copy of Ballot on which property holders and Victoria. license holders will express their opinion by vote on Monday, September n, 1937, between the hours of 8:30 a.m. and 8:00 p.m. in the City Hall

#### A REFERENDUM OF ELECTORS

Are you in favor of granting to the Canadian-American Pulp and Paper Mills, Limited, or any other company, carrying on the manufacture of pulp or paper within the Municipality, in lieu of all other sources of municipal taxation, the following concessions:

(a) For Dry Dock Site—A fixed annual payment of One Thousand Dollars for a period of five years, and a fixed annual payment of Five Thousand Dollars for the next twenty years. (b) For Seal Cove Site—A fixed annual payment of Five Hundred Dollars for a period of twenty-five years.

(c) For each site after the expiration of twenty-five years, I lavor a rate of taxation not exceeding twelve and half mills on improvements and twenty-five mills on land.

YES \_\_\_\_

It will be noted that the ballot is on the question of taxation. If the vote is favorable, it will mean that the amount of taxes now paid on sites should remain for twenty-five years about the same as at present. In the case of the Seal Cove site, the reduction would be \$252:00 pe: year, and if the Dry Dock site is selected, the reduction would be from \$7000.00 per year to \$5000.00 per year.

It has been decided to eliminate the question of water as the regular for a domestic supply are so small that it makes little difference plant of the size proposed.
