EXPRESS REDUCED

Substantial Cuts Announced On Heavier Packages

MONTREAL, Dec. 20—Conforming with the trend of the times the express companies in Canada have placed in effect today a substantial reduction in charges on packages of twenty-five pounds and under for delivery to all points in Canada, with a corresponding reduction in charges on heavier packages moving between transcontinental points, according to I H. Harper, chairman, of the Express Traffic Association of Canada. While the small minimum charge on packages of one pound or less will be maintained, substantial reductions in charges will be made on all packages weighing from two to twenty-five pounds moving between all points in Canada.

"These timely reductions in charges on such packages have been arranged for the advantage of the large number of shippers who forward packages by express and are being placed in effect when they will be found particularly economical in connection with the forwarding of Christmas shipments although the new charges will be permanently maintained until further notice," stated Mr. Harper.

There has also been a corresponding reduction in rates per 100 pounds between points across the Dominion which in turn will provide for reductions in charges on packages over twenty-five pounds all arranged to provide more economical transportation of larger and heavier packages by express from coast to coast.

"All such shipments include free pick-up and delivery service at more thean 1,000 points where such services are now maintained throughout the Dominion which together with these substantial reductions in charges and rates, will be found to be in keeping with modern developments for the economical, safe and speedy transportation of parcels by express, stated Mr. Harper.

TWO GOOD PICTURES

"Pick a Star" and "Criminal Lawyer" Showing at Capitol Theatre

"Pick a Star," an all-star feature comedy, and "Criminal Lawyer," an action-filled drama, comprise a double bill picture program which comes to the Capitol Theatre at the first of this week.

"Pick a Star" is a comedy satire of Hollywood studio life with an absorbing human interest theme. The feature of the production is an outstanding cast of comedy talent which includes Patsy Kelly, Jack Haley, Rosina Lawrence, Mischa Auer, Stan Laurel, Oliver Hardy and Lyda Roberti. The story is that of an adventurous trio who trek from Kansas to Hollywood to go into the movies and run into a series of hilarious adventures. Sets are spectacular and there is much melodious music.

In "Criminal Lawyer" Lee Tracy plays the part of a brilliant attorney with underworld connections and ambitions which finally cause him to break with them to accept a district attorneyship on the path to becoming governor. Many political secrets are disclosed in the drama which is replete with exciting action. Margot Grahame plays the part of the girl who is both Tracy's secretary and chief romantic interest.
