terest of Parliament at Ottawa This Week to Focus on Report of Turgeon Commission

OTTAWA, May 9: (CP)-Attenon of Parliament will focus on the turgeon report on grain trading hich is to be tabled probably to-

Whether or not a minimum heat price will be recommended a question of especial interest. There is a minimum price 1/2c per bushel at present but the evernment has not had to invoke since the market price for some me has been considerably above

huffle in British Cabinet is Seen as Result of Elevation of Ormsby-Gore to Barony

LONDON, May 9: (CP)-A British abinet shuffle is possible and a by-election will have to be held as result of the elevation to the peerage of Rt. Hon. William George Arthur Ormsby-Gore, Secretary or the Colonies, through succession the Barony of Harlech.

It is considered likely that the Threat Letters will resign Threat Letters from the cabinet. There has allarge number of cabinet seats held by members of the House of Lords. Political commentators today; the policy of Prime Minister Neville Chamberlain of appeasement in Europe. The feeling is that reorganization will extend to junior ministerial posts. The accession of Ormsby-Gore to the House of Lords makes some change almost mandatory, it is generally felt. The new Lord Harlech could retain his the way for criticism from the on May Save Both the way for criticism from the op position on the grounds that there Eyes And Life are too many members of the cab. net in the Lords. Already there are seven peers in the cabinet.

Mr. Ormsby-Gore succeeds his lather, Baron Harlech, aged 53, a former soldier Member of Parnament for Denbigh during the Great War and Postmaster General in 1931, who died on Sunday.
