#### A SPLENDID RECORD

A splendid record was made by Howard Hughes and his four companions in their round the world flight which ended yesterday morning. The result is not only a great credit to these flyers but also it indicates what advances are being made in aviation in recent years. More and more perfect are the machines and more and more complete is the knowledge of flying gained each year. Speed is increasing steadily and, curiously enough, with the speed comes increased safety. This flight will be looked upon as one of the important steps in the development of long distance flying.

#### CONTINUED RAIN

Sometimes Prince Rupert people get restless under a few days continuous rain at this time of year. And yet if the baseball records are watched it will be noticed that almost every day at least one match is postponed on account of rain in the big cities of the United States. A despatch published in this paper Wednesday from Manchester, England, said the third cricket test match between Australia and England had to be abandoned when continued rain still prevented playing.

#### WILL NOT LEAVE

Premier Mackenzie King will not leave Ottawa just now. He says he plans to remain in the capital cleaning up an accumulation of business. The probability is that the international situation is such that the Prime Minister feels it his duty to stay on the job while all others are taking holidays.

#### TRAIN BRITISH FLYERS

It is planned to train men for the British Air Force in Canada to augment the British air force as part of the Imperial air defense scheme. Arrangements have been made with the British government to enable this to be done. Through a leak somewhere in connection with the negotiations it got out that the government did not favor allowing the British government to establish training centres in this country unless they were conducted under the authority of the Canadian government. This was used politically by the opposition leader in Parliament who thought Britain should be given the right to establish independent training centres in Canada. The difference seems very slight but it might prove an embarrassment to allow it and, undoubtedly, would be used politically against the government by those who are jealous for Canadian autonomy. We are inclined to think Mr. Mackenzie King did the right thing in this case.

## TRIAL GAME Acropolis Wins IS PLAYED Again In Gyro Softball League

Team to Meet H.M.S. York in Football Chosen After Match Last Night

The trial football match played last evening to enable the selection committee to choose the team to play against H.M.S. York in the Hanson Cup series provided an interesting game. The Stripes wearing the Navy sweaters, won by four goals to three.

Pierce fisted away a centre from Bryant but McMeekin took a corner just after from which Bryant scored. Morgan did well to save from a miskick by a defender but Howe beat him from Gillis' centre. Murray stopped Armstrong and McKay was too high with his drive. Offside negatived a score by the Stripes. Howe added a second from close in but Morgan was not free from blame. Gillis missed a good chance. Morgan punched clear.

Parsons and Davies were changed at half time and A. Dickens came on to replace Wren, a visitor from Vancouver, who had substituted very effectively. Armstrong missed two good openings but equalized with a good shot just after. Pierce came out and missed the ball but it was scrambled away. A moment later he missed punching away a simple shot from A. Dickens and the Stripes were ahead. Pierce fielded a high shot well but had no chance with a fine twenty yard drive from Henry Dickens. The Whites were trying hard and O'Neill scored a good goal. A. Dickens nearly drove the ball through his own goal following nice play by O'Neill and Veitch. Morgan brought off two good saves, one in the last moment being a very fine effort.

Teams:  
Stripes—Morgan; Eby, Ronalds; Eastman, Davies, Wren; Bryant, H. Dickens, Armstrong, Iverson, McMeekin, A. Dickens.  
Whites—Pierce; W. Murray, Parsons; McKay, Ferguson, S. Currie; Veitch, O'Neill, Howe, Gillis, Bremner.  
Referee—H. Douglas.  
Linesmen—Roi Judge and H. Pierce.

**Team Is Chosen**  
After the conclusion of the trial match the selection committee met to choose the team to play in the first match against the team from H.M.S. York on Saturday evening. It is planned to have a two-game series for the Hanson trophy with total goals to count. The final arrangements will of necessity not be settled until the York arrives and the committee meets the sports officer of the ship.

The team selected is as follows: H. Morgan; W. Murray, R. Parsons; G. Ferguson, A. Dickens (captain); A. Ronalds; J. Bryant, H. Dickens, D. Christison, R. Armstrong, D. McMeekin.  
Spares: Pierce, A. Davies, R. McKay, L. Gillis, D. Cameron, G. Howe, F. Eby.

Linesmen representing the Prince Rupert Football Association will be Sam Currie and trainer, Jock McGreish. Team will play in Legion colors and will assemble at the Legion clubrooms. White shorts will be worn. Players will provide their own boots.

Acropolis boys won their second straight game in the Gyro Softball League last night at the ball park. The unlucky victims were Westview, a team beaten because of lack of pitching strength. The final score was 17 to 3.

The winners opened their half of the first inning by retiring their opponents in order. Westview followed suit in its half of the inning and it was not until the third inning that Steve Mentenka became the first man to get past first base. His mates, however, failed to hit in the pinch and he died on third.

Blain took over the pitching duties for Westview in the fourth inning and proceeded to fill the bases by three free passes. Hebb took over from here and walked the next two batters to force in the first two runs of the game. Scherk was again called to the box in an effort to stem the tide. Bill Schaeffer was out at home on an attempted squeeze-play, Smith and Ray Schaeffer both flew out retiring the side after one more run had crossed the plate.

There was no further scoring until the sixth inning when O'Neill's three-bagger scored two men in front of him, both of whom had been walked. O'Neill came home on Magnet's double to left, Magnet himself scored on two passed balls. Albert Mah's strategy in drawing the play to first base in the seventh inning scored Christopher from third then Mah came home on two errors.

The pitching once more tightened up and no more runs were scored making Acropolis the ultimate winners by a seventeen to three count.

The team captains were O'Neill for Acropolis and Blain for Westview. Umpires were Harry Gordon Cooper and Neil Ross.
