

Trinidad Woman 116 Years Old

Claims to be Oldest Person in British Empire

PORT OF SPAIN, Trinidad, June 13: (CP)—A claim from New Zealand that Patrick Hamilton, born in Ireland on St. Patrick's Day, 1830, was the oldest man in the British Empire is challenged by Trinidad's oldest resident, Mrs. Mary Williams who says she is 116 years of age. Hamilton, who does not use glass-

es in reading daily newspapers and gets much quiet enjoyment from his garden, recently celebrated his 108th birthday.

But Mrs. Williams said she was 116 years old as she quietly celebrated Mother's Day at her home in Port of Spain. She was born in St. Vincent, an island of the Windward group of the British West Indies.

Miss Ruth Gillies sailed yesterday afternoon on the Prince Robert for a holiday trip to Vancouver, Victoria and Seattle.

Wanderers Win Over Sand Pit

Score of 5 to 2 In Football Game Saturday Evening

A well contested football game between Wanderers and the Sand Pit was played last Saturday evening at the High School grounds. Wanderers winning 5 to 2. The playing on both teams was greatly improved over that of the previous game.

Gomez opened the scoring for the Sand Pit on a penalty shot. Colussi took the ball down again but was checked by Field. McKeown cleared from the goal-mouth but a minute later Hougan scored from a corner kick. Simundson brought the Wanderers into the lead by scoring on a pass from Hougan. A McKeown then evened up the score with a well placed goal from the field. The Wanderers drove hard and Weir was called upon to save twice. The score was two all at the end of the first half.

In the second half the Wanderers had the edge of the play. Hougan made the score three to two and Simundson scored again to put the Wanderers two up. Leighton replaced Weir in goal and showed some snappy work in that position. The Sand Pit drove hard many times but Zbura was playing an excellent game in goal and the fullbacks deflected most of the shots. Morgan scored the final goal from the field which made it five to two for the Wanderers. McKeown and Holkestad came very close to scoring. W. Chandler refereed and linesmen were O. Keays, J. Walker and R. Anderson.

Zbura Simundson, R. Hougan, Holkestad and Morgan were best for the Wanderers while Gomez, Bunn, Colussia, F. McKeown and Perkins starred for the Sand Pit.

Teams were:

Wanderers—Zbura, Simundson, Holkestad, B. Silversides, C. Silversides, Morgan, Sunberg, H. Hougan, R. Hougan, Leland and Field.

Sand Pit—Weir, Leighton, Colussi, Bunn, A. McKeown, F. McKeown, Nordan, Perkins, Gomez, Shrubshell, Hemmons, and Capstick.

The standing to date is:

	Won	D.	L.	Pts
Wanderers	1	1	0	3
Sand Pit	0	1	1	1

During last week a total of 697,000 pounds of halibut was landed at Seattle. There was less western fish than in the previous week and, consequently, prices were better.

Having come north from Vancouver by way of Nanaimo, Union Bay and Cumshewa Inlet, Queen Charlotte Islands, C.N.R. steamer Prince John, Capt. George Coles, arrived in port at 7:30 yesterday morning and his morning, after having discharged coal cargo, moved up to the dry dock where she is to be given her annual overhaul. In about a couple of weeks she will enter a general coast freighting service for the summer.

PICTURE OF GOOD QUEEN

"Victoria the Great," Which Has Been Keenly Awaited, Now Showing at Capitol

"Victoria the Great," first production to reach the screen with Britain's famous sovereign as the central figure, is an outstanding attraction at the Capitol Theatre here for tonight, Tuesday and Wednesday as well as special matinees this afternoon and Wednesday for school children.

Against an impressive background of historical events, "Victoria the Great" dramatically visualizes the love story of the beloved queen and Prince Albert of Saxe-Cobourg-Gotha.

Anna Neagle, British screen notability, plays the title role with Anton Walbrook, international star, as Prince Albert. H. B. Warner, as Lord Melbourne, and Walter Rilla, as Prince Ernest, are also featured.

It is the first time that the regal figure of Victoria has been dramatized with permission of the British government which decreed that such could not be done until four generations after her death. The last thousand feet of the picture shows the Diamond Jubilee in technicolor.

Local theatregoers have long been awaiting "Victoria the Great" and preparations are being made to handle capacity audiences.
