The local bowling team, which visited Ketchikan for a tournament over the week-end, returned to the city from the north on the Princess Norah this afternoon.

Defeated Jack Wilson in Final of Canadian Legion Competition

The second billiard tournament of the winter months at the Canadian Legion finished yesterday with Jack Preece (plus 20) winning easily from Jack Wilson (scratch) by 150 points to 87.

In the semi-finals Preece had won from Neil Cameron (handicapped 16 or no count) while Wilson had won from Jack Doughtery minus 35).

Preece had no difficulty in winning the final which was a disappointing game as his opponent never got going.

Another club tournament will be started shortly while plans are already being considered for the city billiard championship. This trophy is held by Don Brown and it is likely that Neil Cameron will make big effort to regain the cup.
