Hears of Many More Diamond Weddings Than In Other Years

LONDON, April 24: (CP)-About 745 couples celebrated diamond weddings (60th anniversary) last year in the United Kingdom and 112 men and women joined the ranks of the centenarians.

Ten couples in England celebrated their ruby wedding (70th an niversary) and 14 couples in the Dominions had diamond wedding celebrations, making a total of 769 marriages that have lasted 60 Miss Margaret Mussallem enter- years or more. Ten years ago the

King and Queen. Actual anniversaries probably totalled more, but these were the numbers sent to

the Palace. Every year hundreds of requests or these messages reach Buckingham Palace. Before the royal con gratulations can be sent, documen tary corroboration has to be produced and every year a number of cases cannot be checked. Last year 20 centenarian claims and 68

wedding anniversary claims failed Figures going back to 1920 indicate either, that longevity and last. ing marriages are on the increase ceive messages from the King and Queen, because from 1920 to 1920 | inclusive, only 552 messages—less than 100 a year—were sent on diamond wedding anniversaries and only 245—an average of 35 a year -to centenarians.
