"Skippy" Only a Mongrel But He Took Honors at Oakland Show

OAKLAND, Cal., March 28: (CP) -Skippy, a scraggy, dirty-white mongrel dog, took the honors at the Oakland Kennels Club show He didn't compete with the 1,200 well-groomed, pure-bred dogs there. He was in a class by himself—the loyalty class.

Through 12 days of storm and snow Skippy stood by the frozen body of his mistress, Mrs. Winona Ferris who died in a Sierra avalanche.

Four thousand men and women turned their backs on the blueblooded dogs to watch Mrs. W. A Robb hang two medals-one from the American Kennel Club and the other from the Latham Foundation-around the scrawny neck of Skippy.

Carl Foreman, 16-year old son of Mrs. Ferris by her first marriage said: He's only a mongrel, but hes! our dog."

BISHOP TEARS DOWN WINDSORS' PHOTOS

When Rt. Rev. Arthur Heber Browne (inset), Bishop of Bermuda, saw a picture of the Duke and Duchess of Windsor on an office wall in Hamilton, Bermudda, he ripped the picture from the wall and tore it up. Although he later apologized to owner Miss Evlyn Stovell, 19, pictured (right) with another photo of the Duke and Duchess, he said h considered it "disgraceful" that a photo of the Windsors should appear in a public place.

WAKE UP YOUR And You'll Jump Out of Bed in the

Morning Rarin' to Go

The liver should pour out two pounds of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You get constipated. Harmful poisons go into the body, and you feel sour, sunk and the world looks punk.

A mere bowel movement doesn't always get at the cause. You need something that works on the liver as well. It takes those good, old Carter's Little Liver Pills to get these two pounds of bile flowing freely and make you feel "up and up". Harmless and gentle, they make the bile flow freely. They do the work of calomel but have no calomel or mercury in them. Ask for Carter's Little Liver Pills by name! Stubbornly refuse anything else. 25c.
