CRASHED IN DENSE FOG

This is Theory in Connection With Latest Airplane Wreck—Bringing Bodies Out

LOS ANGELES, May 19.—Bodies of nine victims of the crash of the Northwest Air Lines plane are today being brought out from Mint Canyon in the mountains fifty miles northeast of Los Angeles.

Investigation indicates that engine trouble was not the cause of the crash. Evidence points to the fact that the ship was groping its way through a fog for a nearby emergency landing field when it hurtled into the side of a cliff.

The time at which a clock on the plane stopped indicated that the crash occurred twenty-seven minutes after leaving Burbank air field on Sunday.

BOSTON, May 19: (CP)—The longest Big League baseball game so far this season was played here yesterday when it took the Boston Bees fourteen innings to eke out a 2 to 1 victory over the Pittsburgh Pirates. The first inning yielded one run for each side and then the game was scoreless for thirteen innings. As a result of their victory the Bees moved into a tie with Cincinnati Reds and St. Louis Cardinals for fourth place in the standing. The Cardinals won over the Brooklyn Dodgers yesterday. The Pirates dropped from second into third place below the Chicago Cubs who were defeating the New York Giants and Carl Hubbell. The margin of Giants' supremacy was reduced to five and a half games.

In the American League, Cleveland Indians defeated Philadelphia Athletics. It was the fifth victory of the season for Bob Feller who yielded only six hits. Feller has been beaten only once this year. As a result of the victory, the Indians are separated from the league leading Boston Red Sox only by percentage points. The Red Sox were idle at Chicago yesterday owing to wet grounds. The New York Yankees kept within one game of the league leadership by winning a free-hitting affair from the cellar-dwelling St. Louis Browns. Wes Ferrell had his fifth victory of the season when the Washington Senators downed the Detroit Tigers who, because of the defeat, dropped into sixth place below the idle Chicago White Sox.

Yesterday's Big League scores: National League Chicago 4, New York 2. Pittsburgh 1, Boston 2 (fourteen innings).

St. Louis 12, Brooklyn 4. Cincinnati at Philadelphia, rain. American League Philadelphia 2, Cleveland 7. Washington 5, Detroit 1. New York 11, St. Louis 7. Boston at Chicago, wet grounds.
