That do you KNOW about

the Petroleum Industries

of British Columbia?

We have served you well

... but perhaps too quietly.

In any event, we feel you would

like to know more about this

important industry, its functions

and its problems, because they

are of deep concern to all of us

in this province.

YOU ARE A CITIZEN of British Columbia,

We are an industry eager to serve and to share

You are proud of British Columbia; you want

We play an important part in the industrial

to see it progress; you want its industries to thrive

and expand, so that there may be more opportunities

for you and your sons and daughters in this Prov-

and economic life of British Columbia and feel we

have kept pace with the amazing growth of auto-

mobile travel. We believe that we have given out-

standing service to British Columbia's industries,

its mines, its fisheries, its farms, its lumber camps

and its mills, all of which use our products in their

ment of the industry should be impeded or

with vast resources needing more and more capital

You and we would both be hurt if the develop-

British Columbia is a great industrial Province,

anxious for the advancement of the Province.

in the tasks of development.

ince now and in the future.
