#### WHAT PRICE PEACE?

The British Empire stands for peace. It desires peace. That seems to be a self-evident truth. Yet, in spite of that, it is thought desirable this summer to hold a "Peace and Empire Congress" in connection with the Empire Exhibition in Glasgow. It will be under the auspices of the Scottish Peace Council and will be an outstanding effort to draw attention to the desirability of settling differences without war.

Looking back at the wars waged by the British it is said that many of them have been the result of weak or "peace" governments in Britain. When there was a strong government in power and other nations knew that they meant what they said, there was less danger of war. In view of this we may ask "What price peace?"

It is rather odd that most of the people who are leaders in the peace movement are men who strongly backed Anthony Eden at a time when it seemed as if he were leading the nation in the direction of war. He was the man who seemed to be showing strength.

Prime Minister Chamberlain was not satisfied with the Eden policy and in order to keep peace was willing to make concessions. Which man was really the leader who could be trusted to keep the Empire from war? We do not know.

Undoubtedly Great Britain is the country that has the chief say in regard to peace or war. She is the protector of the other nations of the Empire with her enormous navy and air force. Yet Britain takes no action of a serious international character without first consulting with the premiers of each of the other nations of the Empire and is influenced by their opinions. Before declaring war, the full circumstances would be laid before Prime Minister Mackenzie King and his advice or protests carefully considered. In that way no nation of the Empire can be rushed into war without at least being given the opportunity to make a strong protest if it was thought the cause for war was not sufficient to make sure of Canada backing up the other Empire countries.

This system is a strong factor making for peace and should be remembered by all Canadians when they hear it suggested that Canada might be forced into a European war contrary to her desire. Evidently the premier is the man whom a majority of the people trust or he would not be there. He is kept informed of all diplomatic moves and more than once has been warned of the imminent danger of war being forced by one of the European dictators.

When we suggest, as we often hear suggested, that the British government should take a firm stand, it must be remembered that they consult with our representative at Ottawa and that he is given the underlying facts which cannot at the time be published or broadcast. The British High Commissioner at Ottawa is kept informed by code messages of the various diplomatic moves and these are passed on to the Prime Minister of the day at Ottawa. It makes the office of Prime Minister doubly onerous for he has to bear the burden of Canadian administration and at the same time has to give consideration to problems which are only indirectly Canadian but which would be very important in the event of war being declared. He must justify himself to the Empire leaders and also to the people of Canada should anything untoward happen as a result of his advice.

There is no definite rule in regard to the extent to which the Dominions may be consulted but there is bound to be more or less frank discussion in order that any action taken may come to the world as an expression of Empire policy to be backed up by all the forces of the Empire. Of this we may be sure, Canada will not be drawn into a war in any part of the world without the Prime Minister and members of his cabinet being cognizant of the fact and probably a party to it.

## HAS STRONG McClymont Park Wins Softball LEAGUE IN PLAY AGAIN

Manitoba Making Strong Bid For Dominion Honors This Year

WINNIPEG, July 20.—The Manitoba Golf Association will have one of the strongest and the youngest teams in next week's Willingdon Cup matches. The team leaves for the east tonight over Canadian National lines and will arrive in Toronto Friday morning. From Toronto they move on immediately to London where they will tune up for the championship matches at the London Hunt Club.

The Manitoba team is made up of Ernie Palmer, who won the Manitoba amateur championship on Saturday, Herb Pickard, Allan Boes and Foster Woolley, all of whom are well under the thirty year mark.

In addition to this team Howard Bennett, a tall 16-year old youth, will be along as Manitoba's representative to compete in the Canadian junior championship which is being inaugurated this year by the Royal Canadian Amateur Golf Association.

After many years of effort, Palmer's determination was rewarded on Saturday when he won the amateur championship in a stirring 36-hole battle with John Hopwood. At the conclusion of the match Palmer was still under par for the week of play.

Woolley, Pickard and Boes won places on the Willingdon Cup team in a special competition played a week ago. Incidentally Boes won the qualifying medal in the amateur championship.

The Manitoba team will be in the charge of Allan Anderson who has again been appointed non-playing captain.

The Willingdon Cup and junior championship matches will be played next Monday over 36 holes and the Canadian Amateur will start on Tuesday. All five Manitoba players will play in the Canadian Amateur.

Defeated Westview in Gyro Playground League Last Night

The third game of the Gyro Softball League went to McClymont Park last night with a victory over Westview by a score of 11 to 3.

Mah and Scherk both scored for Westview in the first inning on an error, two stolen bases and two singles.

McClymont opened its half of the game by waiting out the pitcher who walked five men in this inning.

The Westview team is weak in the pitching department. The team used three pitchers in last night's game and most of the runs scored against it were the result of walks.

There was a flurry of runs scored by McClymont in its half of the fifth inning. Santerbane singled and Barker dropped a neat Texas Leaguer over second base. Keays hit into an error to fill the bases. Two more errors and Simpson's single scored three runs. Scherk and Laurie both fled out to retire the side with the bases full.

Again in the seventh McClymont started a rally which netted four runs. Simundson singled and Zbur's double to left field advanced him to third. Two more hits by Laurie and Simundson were responsible for the scoring in this inning.

The game tightened up for the remaining two innings and both teams retired their opponents in order except for Scherk's long hit in Westview's half of the eighth which went for three bases and scored Grimmon who had walked. Team captains were Blaine for Westview and Scherk for McClymont.

Umpires were Ross and Gordon-Cooper.

## CLASS IN SWIMMING

Children Taking Advantage of Instruction Under Gyro Club Playground Work

Gyro Club swimming and life saving classes are under way on Tuesday and Friday afternoons, swimming under Neil Ross at McClymont pool on these afternoons at 3 o'clock and life saving on the same days under Harry-Gordon-Cooper at Morse Creek.

There is already an enrollment of twenty-two juniors and intermediates at these classes at McClymont playground and Mr. Gordon-Cooper reports an enrollment of eight at the life saving classes at Morse Creek.

In addition to these groups, there are classes in life saving every Sunday afternoon at Salt Lakes. There was an attendance of twenty-four intermediates and seniors at this class last Sunday.

The boat for members of this class who have no other means of transportation leaves the Armour Salvage dock at 1:30 and leaves the lakes again at 4:30 every Sunday afternoon.

## Local Navy Men Defeated York

R. C. N. V. R. Won Closely Contested Football Game by Score of 2 to 1

A third football game to be played during the visit of H. M. S. York to port over the week-end was on Sunday afternoon when the Royal Canadian Naval Volunteer Reserve team of the City Senior League defeated a second string team of the visiting cruiser by a score of two to one. It was a well contested match and was witnessed by a good-sized crowd of fans.

Prince Rupert made both its goals in the first half while playing with the grade and wind in its favor, Cameron and Christison being the scorers. In less than ten minutes before the end, the warship scored its one and only. The visitors missed narrowly from equalizing in the dying moments when a shot went over the bar by inches.

CAMBRIDGE, Eng., July 20.—(CP)—J. D. A. Langley, the Walker Cup golfer, has been awarded his cricket blue by N. W. D. Yardley, Cambridge University captain.

Marking the resumption of senior league play after a suspension of three weeks, last night's football fixture between the Royal Naval Volunteer Reserve and the Canadian Legion resulted in a win for the Royal Canadian Naval Volunteer Reserve, by five goals to one. The Legion had only four of its regular team on hand but managed to pick up enough to field ten players. The Navy had ten of its regular players. It was a very poor exhibition especially after the two great games with H.M.S. York.

Bob McLean opened the score for the Legion. Pierce fisted away two grand corners by Bryant and then Morgan saved well from Vance. McMeekin drove narrowly past and later was just too high. Christison headed in a beauty from McMeekin to put the teams level. Cameron shot well but Morgan cleared.

The second half found the Navy attacking steadily with the Legion making occasional breakaways. Bryant added a second goal. Murray cleared off the goal line and Pierce saved at full length. McLean and Ferguson got away but Cross and Davies cleared. Christison added a third, Armstrong a fourth and Christison a fifth. Murray and Howe played good football and saved many an awkward situation but, shorthanded, could not score.

### Teams—

R.C.N.V.R.: Morgan, Cross, H. Dickens, Eastman, Davies, R. Armstrong, Bryant, R. Smith, Christison, McMeekin, Fulton.

Legion: Pierce, W. Murray, Alex. Barry, Howe, Ferguson, B. Knutson, D. Cameron, Vance, Vance, Bot McLean, McCreish, C. Ellison refereed.

Pierce, Murray, Alex. Murray, Howe and Vance were the best for the Legion although all tried hard. The Navy did not need to play too hard but several members of the team were inclined to make a farce of the game. If the players do not give of their best they cannot expect spectators to attend. It was altogether a very disappointing exhibition.

## PLANS FOR OLYMPICS

Helsingfors Already Making Arrangements—All Members Are Being Advised

HELSINGFORS, Finland, July 20.—(CP)—Government and civic authorities have started the making of arrangements for the holding of the 1940 Olympic Games here following the virtual award of the Games to Finland. It is expected they will be held in July or August. In order to provide accommodation for visitors, it is proposed to use ocean liners as floating hotels.

At Brussels Count Baillet-Latour, president of the International Olympic Committee, said yesterday that he was cabling all members of the organization to vote by cable whether the 1940 Olympic Games should be held in Finland. The games were originally scheduled for Japan but Japan gave them up last week because of the far eastern conflict.
