ENO ENSURES HEALTHY HOLIDAYS

Every vacation it's the same old story - upset stomach, congested foodways, indigestion and miserable headaches. Of course, it's the change of food and water that does it, and what nature needs is the gentle help of Eno's "Fruit Salt". Simply take Eno first thing every morning.

Eno and nature together quickly overcome the disturbance, clear away congestion and keep you regular as clockwork. At the same time, Eno neutralizes the acid condition which often accompanies upset stomach.

Experienced vacationists never drink "strange" water without adding a dash of Eno to it. Eno prevents ill effects, and at the same time makes a pleasant, refreshing drink which quenches thirst marvellously, and cools you through and through. Yes, Eno's "Fruit Salt" will ensure that you have a happy, healthy holiday from the moment it starts. Obtain a bottle today.
