WIFE IS THE POWER

DAILY ADTTION

Sir Oswald Mosely suggests that all Jews at present on the Catala last night from a National State. Vet Sir Oswald's wife is a Level of the Catala last night from a National State. National State. Yet Sir Oswald's wife is a Jewess and it is just possible that, seeing the impossibility of this, shel Miss Eva Cavalier returned to is just pulling her husband's leg. At any rate the English the city on the Catala last night Fascist leader says the objection to Jews is not to religion from Victoria where she has been or to their race but simply to their internationalism. He Miss Cavalier, formerly a member claims that they set the interests of their co-religionists or, of the staff of Booth Memorial co-racialists above the interests of the British state.

We feel very sorry for Sir Oswald. He started out as a Conservative. His political abilities not being properly Mrs. L. S. Hope and daughter, recognized he turned socialist but that did not seem to go Barbara, who have been on a trip well with a rich American wife. He has now found that to Vancouver, returned to the city persecution of the Jews does not seem to sound right when from the south on the Princess he is spending the money of an attractive and delightful Alice this morning. Jewish wife. She evidently is still the power behind the .G. E. Norris, assistant inspec-Mosely throne and Sir Oswald is wondering why the Eng-tor of customs, was here aboard lish people do not take to his political philosophy with the Princess Alice this morning gogreater fervor.

NATURE'S METHOD

We sometimes wonder why it is that there is so much cess Alice for Telegraph Creek and Juneau passed through the city on (Rupert). death and destruction in the world and we call this killing elsewhere in the Cassiar district on the Princess Charlotte Saturday, 6:45-Miss Thomson and Davidwicked. And yet we find that this system carries on official duties. through all kinds of life—animal, bird, insect. We all Lawrence Gassenheimer, proprie- to participate in a United States 6:45—Blake and Norrington (Ruknow that when the salmon go up the river to spawn tor of the Hotel Pennsylvania at national rifle meet. many millions of the eggs are destroyed before they hatch Washington, D.C., and Mrs. Gassand after they hatch the young have to run the gauntlet enheimer were among passengers of birds and predatory fish before they reach the ocean soing north aboard the Princess and even then their lives are not by any moons common Alice this morning to make the and even then their lives are not by any means secure.

The thought of nature's prodigality was the result of! reading about how the turtles lay their eggs on Willis Island, 250 miles from the Queensland coast. Thousands returned to the city on the Prince of them ley their eggs in the sand up to one hundred eggs Rupert this morning from a trip each and the young were the victims of the warious of the warious to Ketchikan. each and the young were the victims of the various seal birds and, when they reached the sea, they were pounced upon by shoals of sharks and other predatory fish.

The killing of these young turtles is not wicked. It is of trade and commerce, and Mrs. just providing food for the other creatures. So the killing of thousands and, possibly, millions of human beings may aboard the Prince Rupert today rebe only nature's way of keeping a proper balance.

MAKE MOST OF HOLIDAYS

Only a few weeks remain before the school holidays round trip north from Vancouver are over. Some children are looking forward with keen steamer Prince Rupert here this anticipation to the opening of the fall session while others morning and will proceed East by like the holidays so well they would like nothing but holi- evening train. days. Much depends upon the child but also much depends upon the kind of teacher under whom he has been and district with an acvertisement studying.
