BRITISH FREEDOM

In a southern newspaper appears the following: "Quoting from Sir Evelyn Wrench, C.M.G., in Overseas ited 1. for August: 'The British Commonwealth today is one of the greatest individual forces for good in the world. As: far as the white races are concerned, it has solved the problem of granting freedom to each Dominion within its orbit . . . We have sincerely and disinterestedly got to help! the varied peoples committed to our charge to prosperity and political freedom. The British Commonwealth, if it is but true to its concepts, means that every section of the world under the sovereignty of King George VI must ul-; timately control its own destiny as a free-will member state.' Mr. Malcolm MacDonald, Secretary of State for!" the Colonies, thus summed up the aims of British colonial policy at Oxford recently: 'The primary aim is the gradual spread of freedom among His Majesty's subjects in whatever part of the empire they live, and the ultimate goal 'the establishment of the various colonial communities as self-supporting and self-reliant members of a great commonwealth of free peoples and nations.
