### ALL HOT AIR

### Ald. Newton Raises a Bogy Which Falls Flat Last Night.

Without notice of motion Alderman Newton brought up at last night's Council meeting the old question of the box drain passing under the Empress Theatre. He said the matter was most urgent because a new lawsuit was threatened the city over it. This he had gathered from an interview with Mr. Stephens, manager of the theatre.

As one of the directors of the theatre, Alderman Kirkpatrick said the matter was all hot air. There would be no lawsuit. The theatre company realized how the city was situated over the matter and that all possible had been done to abate the nuisance until a sewer can be put in. Alderman Newton said he had done his duty and sat down.

### HAD A CHRISTMAS TREE

In the Majestic Theatre yesterday afternoon the children of the Roman Catholic Church were entertained with a gorgeous Christmas tree. Every one got several presents and a thoroughly enjoyable time was spent. The program included an exhibit of moving pictures, a piano solo by Mr. Collar and the following recitations by the children: "What She Said," Thelma Nehring; "Saint Nicholas," Clarice Griffith; "A Foreign Father," Matthew Nehring; "A Little Girl's Plaint," Louise Rowell; "Kentucky Philosophy," Helen Shirley; "The Vintor," Alice Earley; "The Troubles of Pa," Willie Rowell; "A New Fashioned Xmas," Norma Shirley. Credit is due to Mrs. Fred Ritchie for the success of the entertainment. Mrs. Beaser donated a watch and a doll which were raffled off among the boys and girls. Rev. Father Bunoz expressed his appreciation at the close for the fine entertainment given.

## FIRST: "CATCH YOUR PRINTER"

\*\*\*\*\* DIRECTIONS FOR COOKING A HARE: \*\*\*\*\*  
FIRST—"CATCH YOUR HARE"

To produce good printing you must "first catch your good printer." You can't get good printing from a poor printer, even if he work with never so good an equipment. If he lacks the "knack," the trained taste, the single-minded fondness for his work which real printers have, he will do poor printing for you. If he has all of these, and in addition to them adequate modern equipment, your printing will have distinction, salesmanship, the lure of type-beauty.

As this office produces good printing you may infer the presence of a good printer—who is "catchable."
