DO YOU EVER HAVE THAT "ALL-GONE" FEELING?

You needn't—not if you follow the lead of the millions who know the health value of Eno's "Fruit Salt". Just about nine times out of ten, physical disturbances are caused by some form of constipation. Incomplete elimination causes headaches, dizziness, nausea, sour stomach and many other minor and major ills. Strong purgatives—harsh mineral salts, of which Eno has no trace, are likely to do more harm than good. A dash of Eno's "Fruit Salt" in a glass of water morning and night soon gets at the source of the trouble. Eno safely rids the intestines of those toxic poisons which slow a man up and make him miserable. Doctors prescribe Eno and take it themselves. It is both effective and safe -for young and old. Eno is pleasantway to good health. Life today calls for Eno's "Fruit Salt". Order a bottle from your druggist now. Handy size, 50c; Household size, 85c.
