### WAKE UP YOUR LIVER BILE-

And You'll Jump Out of Bed in the Morning Rarin' to Go

The liver should pour out two pounds of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You get constipated. Harmful poisons go into the body, and you feel sour, sunk and the world looks punk. A mere bowel movement doesn't always get at the cause. You need something that works on the liver as well. It takes those good, old Carter's Little Liver Pills to get these two pounds of bile flowing freely and make you feel "up and up". Harmless and gentle, they make the bile flow freely. They do the work

Mrs, Jessie Jacobs of the Indian Office, who has been visiting in Victoria following her recent illness, returned to the city on the Prince George this morning. She feels much better and expects to be able to resume her duties soon.

ago some tourists passed through hough he said bee stings have Smithers from the United States been used for rheumatism. with a light canoe on top of their automobile heading for Hazelton. On Friday the town was shocked to hear that two young men who had formed the party had been thrown into the Skeena River from heir canoe near Skeena Crossing while trying to navigate this river and that one of them had been rescued by Indians while the other Julius Wanter, had been swept down the river to his death.

With the water rising fast on account of hot weather the Skeena River is far more ugly than it is when the water is receding even though it might be higher at the

Details of the accident have not yet been received but the police have gone from Smithers to Hazelton to investigate.
