Pioneer Of City Goes To Georgia

George Eckerman Honored Before Leaving After Many Years Residence Here

Leaving the city on the Princess Norah this afternoon is one of the old timers of the city. George Eckerman, for a number of years in the employ of Edward Lipsett Ltd. and formerly with Mussallem's and other firms. He is going through to Georgia state where he expects to go into the electrical business with his son-

in-law. Mr. Eckerman, who was a prominent member of the Christian; Science Church, was surprised one evening recently at his flat by a number of members of that or- VISITOR AT ganization who came to present him with two Prince Rupert pictures as mementoes of his stay in the city. Prior to that he was the guest of honor at a banquet in the Boston Cafe at which a presentation was made. The staff at Edward Lipsett's on Saturday gathered briefly and presented Mr. Eckerman with a fountain pen and pencil set.

Mrs. Eckerman left for Georgia some time ago.

WHAT CATHARTICS DO TO YOU!

Harsh pills and purgatives often over-stimulate your intestines . . . and leave them weak and listless. If your constipation is of the common type that is due to insufficient bulk. there's a better way to treat it. Kellogg's All-Bran supplies the bulk you need. It absorbs moisture and softens like a sponge. This water-softened mass aids elimination. But All-Bran does still more. It contains vitamin B, ... the vitamin that helps tone the intes-

tinal tract. Eat Kellogg's All-Bran every day and drink plenty of water. Made by Kellogg in London, Ontario.
