The importance of a Christian at mosphere in the home as an aid to effective Sunday School work was emphasized by Rev. J. C. K. Prens of Minneapolis, director of Sunday School work for the Lutheran Church of America, in addressing meeting in St. Paul's Lutheran Church here Tuesday night. Instruction of the child by parents on how to live was an important basis of religious education.

Rev. L. C. Jensen, pastor of the local church was in the chair and there was a fair attendance at the meeting.
