## LEGION IS

One Thousand Persons Enjoy Fine Outing at Digby Island

The Canadian Legion annual picnic was held yesterday at Digby Island. A large number took advantage of the good weather to enjoy the outing and a well contested sports program. President Jack Preece was general chairman of the affair and was assisted by various committees who saw that everything was in readiness for the thousand in attendance. Quite a number of men off the American destroyer Hopkins were the guests of the Legion.

There was splendid boat accommodation supplied through the kindness of Captain C. Giske with the Morris H., Captain S. Hougan with the Tramp, Captain W. Bussey with the Atli, Captain George Cook with the Teeny Milly and George Frizzell and Douglas Frizzell with the Laura F.II.

The Boys' Band, under Bandmaster Robert Greenfield, provided lively music and a pipe band under Piper S. H. Leslie was a very popular attraction too.

There was a keenly contested sports program, several of the events having to be run off in two heats. Both the women's and the men's tug of war were hard fought out, all the "tuggers" giving of their very best. Mrs. R. T. Ander-Auxilliary, presented the prizes.

CALLS IT A BOGEY

Editor, Daily News:

Your editorial of June 29 quotes the Financial News of Vancouver as attributing the recent eviction of unemployed and the consequent disturbances as a victory for the Communist Party of Canada. I am surprised that you think it worth while to set up this bogey in your paper.
