Guest Preacher

HAZELTON, Oct. 26: (CP)-On Sunday the congregation of Peter's Anglican Church, Hazelton, had the privilege of listening to the Rev. Harding Priest B. A., B. D., of Calgary. As field secretary to the General Board of Religious Education, Mr. Priest has had wide and valuable experience both in . Canada and England. In illus-'trating the truth of the old proverb "As the twig is bent, so is the tree inclined," the speaker urged the necessity of encouraging the present generation to become a vital and forceful part of the church. All present, whether parents, leaders in religious work with young people and children, or the young people themselves, received valuable guidance from the sermon given by this distinguished preacher.

Holy Communion followed morning prayer and was administered by Mr. Priest, assisted by the Rev. Frank Burling. Morning prayer was taken by the Rev. J. E. Birchall, rector of Smithers.

The Senior Choir, assisted by the Junior Choirs (white and native), led the singing.

Afterwards, many members of the large congregation were able to renew acquaintance with Mr. Priest, who was in Hazelton a few years ago. He afain expressed his admiration for the district's beauty.

The special preacher was motored from Smithers by the Rev. J. E. Birchall, rector of St. Jame's Church there, accompanied by Mrs. Birchall and Roderick.

The visitors were guests at the Rectory and left in the afternoon for Smithers.

On Sunday evening the Church Army Hall was filled to capacity for the Thanksgiving service conducted by Ernest Harris, captain. The choir of twenty members assisted greatly with the singing, ' giving in very creditable style the anthem, "Great Is the Lord." St. Peter's junior (native) choir also attended. The sermon was preached by the Rev. Frank Burling. Ben Wale, lay reader, read the lessons and a short address, in the native tongue, was given by Abel Oakes.
