The elder Colussi, the four boys and a daughter, Angelica, were coming in from Georgetown when

their boat, Margell, exploded and burst into flames. The father and Walter were either killed outright or rendered unconscious. It was later established that the boy died of shock. The other boys and the girl took to the lifeboat which, in the excitement, was overturned. The survivors were able to cling to the body of Walter but that of the father was lost.

The fish packer Carlisle S., passing at the time, saw the flames and went to the rescue, picking up the survilvors from the water and bringing them with the body to Prince Rupert. The Margell was a mass of flames from stem to stern,

evidently a total loss. Provincial police are at the scene today with the boat P.L.M. 8 endeavouring to recover the body of the elder Colussi. The position, however, is an exposed one in Chatham Sound and the water is very deep which will make such operations as dragging unusually dif-
