Then we have the Boehing Company at Vancouver, day we would see moose or caribor From this it may be seen that already the country is fair- Fox warrens are all over the place ly well equipped for delivering planes almost immediately —mounds of relicw soil edvered with the remains of yellow, white to Great Britain or any other country if the orders are and blue flowers. There are usualforthcoming. This will tend to help take up the slack in by two or three holes in these the labor market in Eastern Canada.

WE ARE READY TO FIGHT

"We are ready to fight" is the song that a number of Mr. and Mrs. Rabbit after a for nations are singing. "We are not ready" is the story be- has made a meal. ing told in Britain. In each case they are talking about days, packing and relaying packs. fighting. Canada is not talking because everybody knows I remember one day we were crossshe is not ready for anything but even Canada is awakening to the seriousness of the situation and the realization that the millenium has not yet arrived but that military power is still important.

Those in Canada who wanted the British and Canadian governments to take a firm stand in Spain are the people most critical of armaments. It looks as if they would like the British Empire to get into war and be beaten. The Red mind is a curious complex.

Big Game Hunt On Roosevelt-Pattullo Highway To Alaska-Big Battle With Grizzly Bear

By EARL BATT

Did I do wrong to quit my job in Stewart on fifteen have any fear of man, Suddenly minutes' notice and jump at the chance to go by plane with her muzzle pointed directly at us Charlie Elliott as a camphelper for Crites and Udder- I heard a faint growl then with a strom? Right or wrong, half an hour after he said the rolling purposeful gait she starte i word we were lifting gracefully off the water in Stewart oh Boy! Now the shoe was on the harbor. Straight down the channel we flew gaining height other foot I am not very big bu

thought any man-made machine of the mountains that hem Stewart in. Sir, what a sight! A sea of peaks stretching miles and milesto the left! Mighty glaciers, bluish-white, showing among craggy peaks! Great terrains of gravel like giant tongues from some dragon's mouth slipping down the mountains till we lost sight of them beneath the plane. To the right the wide valley of the Naas River, most marvellous to behold filled with dancing fleecy clouds! The ceiling as the fliers say was very low over the Naas. To look down of goblins at play-shoving, push- streams and lakes full of fish! five hundred feet above the pack to stop. to gently settle down again as if loath to leave the fun. But an aeroplane is a go-getter-no paussider. These Ground Hog Moun- was the whole landscape. Rock, and throw her into a little hollow for a while.

tains took on wonderful shapes as erosion into most peculiar forms

The Klapan Country

After we had flown for half an! hour over this lovely countryside, noticed Charne Elliott pointing towards a lake ahead and Udderwarrens. Rabbits' feet, say I never believed there could be so many rabbits' feet and they all lay outside the holes in these fox densseems that is all that is left of

CLEAN FALSE TEETH -GET RID OF STAINS

New Easy Way-No Brushing Stera-Kleen, amazing new discovery, removes blackest stains, tarnish, tartar like magic. Just put false teeth or bridges in a glass of water and add Stera-Kleen powder. No messy brushing. Recommended by dentists—approved by Good Housekeeping. At all druggists. Money back if not delighted.

and headed up the valley of Bear ing a stream and there ahead of biggest and most noticeable thing River climbing faster than I us lay a train-load of coal with a in the whole Klapan country. I big black seam fifteen feet thick heard Crises say to Udderstrom could climb. We slid over the edge showing just above. It appeared at "She's coming! Get ready!" I nothe time as though we had acc. dentally stumbled on to this but thinking since. I have come to the conclusion that it was no accident. Udderstrom, who was leading, noticed it first but I don't believe it was the first time he saw that decurious to see if it was still there after an absence of twenty-three years. Our destination was Bucking Horse Lake. We made it on the tenth day from Charlie. The Alaska Highway from Hazelton Watching them steadily for a few will be-camp sites, hundreds of moments makes one think of a lot them, plenty of dry wood and coal ing, rolling over as if in glee, then could go on describing things we jumping up a hundred, perhaps noticed for a week, but will have

Great Grizzlies

We were up here to hunt griz-12 gines seem to me to purr out a them!
