## Well Known Woman Drowns In Auto Further Shuffling Of Portfolios Expected: Planning for Defence

### Daughter of General Jack Stewart and Her Son Crash Off Bridge

Granville Street Span in Vancouver is Scene of Double Tragedy, Mrs. Margaret McLean and Boy Losing Lives

VANCOUVER, October 31: (CP)—Mrs. Margaret McLean, wife of Lieut. Col. A. T. (Jock) McLean and daughter of the late Brigadier General J. W. Stewart, was killed with her eight-year-old son, Allistair, when their sedan crashed through Granville Street bridge into False Creek Saturday. An eye-witness said that the car skidded on the wet pavement and slewed through the left railing, dropping eighty-five feet into twelve feet of water. The victims were imprisoned in the car.

### SPECULATE ON VOTING

Both Democrats and Republicans Expecting Favorable Reaction In United States Next Week

WASHINGTON, D. C., Oct. 31:—Both Democrat and Republican parties are confident that national opinion will be gauged in their favor in widespread congressional elections to be held throughout the nation on November 8. Eight million independent voters will go to the polls to elect 432 House members, 34 senators and 32 governors.

There will be voting in every one of the forty-eight states except Maine which went Republican in September.

It is conceded impossible for the Republicans to gain control of the Senate although it may be different in the House. This will depend upon the reaction to President Franklin D. Roosevelt's New Deal policies.

### Car Owners Are Being Reminded Of Park Rules

The city police are tightening up on the enforcement of the street traffic and parking bylaw as a number of motorists have already found. One section of the bylaw which the police are calling particular attention to is that vehicles can only be parked on the north side of avenues and the east side of streets, the fronts of vehicles on avenues to be facing in a westerly direction and on the streets in a northerly direction. Violators of the traffic regulations may expect to be hailed into police court.

### Pictures Taken Of Heart Of Murderer

Condemned Man at Salt Lake City Consented To His Body Being Used For Medical Research

SALT LAKE CITY, Oct. 31:—X-ray moving pictures were taken in the prison yard here this morning of the heart action of a condemned man after execution. The man had consented that his body should be used for medical research.

### Japs Circle South China

CANTON, Oct. 31: (CP)—Japanese columns are moving slowly northward from here along the Canton to Hankow railroad. The aim is to encircle the whole of southeastern China. Fighting since the capture of Canton and Hankow has been merely of a desultory character with the Chinese putting up little opposition.

### JEWS ARE EVICTED

Ten Thousand In Bad Way After Being Dumped by Germany Across Polish Frontier

WARSAW, Oct. 31: (CP)—Evicted from the land of their adoption and unwanted in their homeland the language of which they cannot even speak, ten thousand Polish Jews, rounded up suddenly in Germany at the end of the week, have been dumped in Poland just across the German frontier. German trains took them that far and left them there to shift for themselves as best they might. In many cases they are penniless with no provision for food or shelter. Residents of the Polish frontier are housing some temporarily. Last night it was stated that Germany had agreed to suspend further deportation of Polish Jews pending negotiations between the two countries. Meantime, there was talk of retaliatory action by Poland against Germans residing in Poland.

### Settlement Of 'Frisco Strike

Mayor Angelo Rossi's Ten - Man Peace Commission Gets Results

SAN FRANCISCO, Oct. 31:—Mayor Angelo Rossi's ten - man peace commission, consisting of five union representatives and five representing the employers, has reached a tentative basis of settlement of the seven-weeks old strike affecting department stores. It will be submitted to the retailers' council and retail clerks union for approval.

### Quebec Province Is Floating Loan

Issue of \$30,000,000 To Be Offered, Premier Duplessis Announces

QUEBEC, Oct. 31: (CP)—Premier Maurice Duplessis announces that a loan of \$30,000,000 will be floated by the Province of Quebec.

### Parliament To Prorogue With Reopening Soon

LONDON, Oct. 31: (CP)—Prorogation of Parliament is set for this Friday with a new session scheduled to open November 8.

### ALLEGED SPIES ARRAIGNED IN U.S. COURT

These three men, top, who face federal spy charges are a trifle bashful about facing the camera as they return to the United States Marshal's van after arraignment in federal court, New York. The men, who are among 18 indicted for espionage by the U. S. government, are left to right: Gunther Gustave Reimrich, Otto H. Voss, and Erich Glaser. Not at all bashful is Johanna Hoffman, 26-year old beauty parlor operator of the liner Europa, as she rides in the front seat beside the driver of the Marshal's van, bottom. She completes the quartet which is facing trial for their part in spying out U.S. military secrets. Other members of the espionage ring are now residing in other countries.

### PREMIER ACCORD IS FASCIST COMPLETED

So Says Former Head of British Trades Congress of Prime Minister Chamberlain

LONDON, Oct. 31: (CP)—H. H. Alwin, former head of the British Trades Congress, said yesterday that Prime Minister Neville Chamberlain is a Fascist in word if not in deed. Registration of civilians for military duty was an indication of this, Alwin declared.

### Flowing Gold For Pioneer Rancher

Oil Well Comes In On Land Of George McIntosh in Southern Alberta

HIGH RIVER, Alta., Oct. 31: (CP)—An oil well has come in on the land of George McIntosh, pioneer rancher of High River. There is a flow of 332 barrels of crude daily.

Agreements Between Major European Countries Appear To Be Order of Day

ROME, Oct. 31:—Premier Benito Mussolini and Foreign Minister Joachim von Ribbentrop of Germany were reported late Saturday to have reached a complete accord on European problems. Arrangements have been completed, it is stated in well informed quarters, for arbitration of the Czechoslovakian-Hungarian minority and territorial dispute. Germany and France have reached a "gentleman's agreement," it is said.

### Halibut Sales

American Kodiak, 26,000, Cold Storage, 10.4c and 6c.  
Canadian Covenant, 28,000, Royal, 9.2c and 5c.  
Joan W. II, 31,000, Atlin, 9.6c and 5c.

### Further Shuffling Of Portfolios Expected: Planning for Defence

Sir John Anderson is Appointed Lord Privy Seal—Viscount Runciman is New President of Council

LONDON, October 31: (CP)—Sir John Anderson was today appointed Lord Privy Seal in a cabinet shake-up believed to be preparatory to a widespread organization for defence. Viscount Runciman, former President of the Board of Trade and mediator in the Czechoslovakian-German dispute, is named Lord President of the Council succeeding Viscount Hall-sham, resigned. Rt. Hon. Malcolm MacDonald, Colonial Secretary, is given the additional post of Dominions Secretary.

These changes are in addition to those of last week in which the Earl of Stanhope, President of the Board of Education, was appointed First Lord of the Admiralty and Earl de la Warr, Lord Privy Seal, to be President of the Board of Education.

### FRANCO'S BROTHER IS DEAD

Lieut. Col. Ramon Franco Loses Life In Crash of Airplane Off Island of Majorca

PALMA, Majorca, Oct. 31: (CP)—Lieut. Col. Ramon Franco, younger brother of General Francisco Franco, commander-in-chief of the insurgent forces in the Spanish war, and four companions were killed yesterday in the crash of a plane off the island of Majorca. Long before the Spanish war, the younger Franco was a noted flier. In 1926 he made the first trans-Atlantic flight from Europe to South America. He was once air attache to the Spanish embassy in Washington.

### TODAY'S WEATHER

Prince Rupert—Raining, southeast wind, eighteen miles per hour; barometer, 29.40 (falling); temperature, 44; sea choppy.  
Triple Island—Showery, southeast wind, fifteen miles per hour; moderate chop.

Vancouver—Cloudy, southeast wind, six miles per hour; barometer, 29.78.  
Victoria—Clear, southerly wind, four miles per hour; barometer, 29.78.  
Prince George—Clear, southerly wind, six miles per hour; barometer, 29.52.  
Terrace—Cloudy, calm, 36.  
Alyansh—Cloudy, calm, 42.  
Alice Arm—Light rain, calm, 43.  
Anyox—Light rain, calm, 42.  
Stewart—Raining, calm, 4.  
Hazelton—Partly cloudy, calm, 36.  
Smithers—Partly cloudy, calm, 32.  
Burns Lake—Bright, calm, 33.

### Profiteering To Be Probed

LONDON, Oct. 31: (CP)—In view of increasing public indignation at alleged profiteering out of defence materials, especially materials for air raid protection, it is expected there will be a governmental inquiry. In the course of a few hours at the time of the recent crisis, it is declared that the price of sand bags mounted from 3c to 50c.

### RETURNING COLONIES

Proposed to Make Some Grants to Germany—Hitler Says He Expects Fair Treatment

LONDON, Oct. 31: (CP)—The minister of external affairs of the Union of South Africa is due to arrive in London shortly to discuss with the Imperial government the question of German colonial demands.

One solution that is being seriously proposed is the return to Germany of portions of Portuguese West Africa and the Belgian Congo which were taken from her after the Great War.

Speaking yesterday in Germany, Chancellor Adolf Hitler declared that it was up to the countries now controlling colonies taken from Germany after the war to see that she is fairly treated in regard to their return. He was inferred to have alluded to the British Empire and France.

### Rain And Wind All Along Coast

Air and Highway Traffic Delayed From California to British Columbia Border

SEATTLE, Oct. 31:—Rain and wind over the week-end delayed air and highway traffic from Fresno, California, to the British Columbia border. There was an inch and a half of snow in the Sierra Nevada mountains.

### Weather Forecast

General Synopsis—Pressure remains low off the Queen Charlotte Islands. Heavy rains have occurred on the British Columbia coast and the weather has been showery in the interior.  
Prince Rupert and Queen Charlotte Islands—Fresh southeast winds, cloudy with occasional showers, becoming cooler.
