SEVENTY-NINE KILLED IN BRITISH MINE DISAS TER

In one of the greatest mine disasters in England, 79 miners were killed and 30 seriously injured in a series of disastrous explosions in the Markham Colliery, Duckmanton, Derbyshire, Eng. Relatives of the entombed miners are shown grouped about the pithead of the mine, left, as rescue workers toiled to reach the trapped men. All available a mbulances, doctors and nurses were rushed to the mine following the explosions. One of the ambulances is shown, right, leaving the pithead with some of the injured. Survivors of the disas ter are shown, lower right, recovering from their harrowing experience in the hospital.
