Don't Be Fooled About Constipation!

Many people, when constipation hits them, just reach for the medicine shelf, dose up with a physic, and try to forget it—till the trouble comes back. And come back it usually does—more and more often—till you get at its

A you eat what most people do -just bread, meat, potatoes-chances are just this fact causes your trouble: lack of "bulk." And "bulk" doesn't mean a lot of food. It's a kind of food that isn't consumed in the body, but leaves a soft "bulky" mass in the intestines and aids elimination. If that's the reason for your

trouble, what you need is a good dish of crunchy Kellogg's All-Bran for breakfast. It contains the "bulk" you need plus Nature's great intestinal tonic, vitamin B, Eat it every day, drink plenty of water, and join the "regulars." Made by Kellogg in London, Ont.
