Russia is also understood to be ready to take a hand if necessary. Sudeten Split

Meantime at Fraha a growing split in the Sudeten German party has complicated solution of the long-standing dispute between Czechs and Sudetens over minority rights. The radical element of Nazi supporting Sudetens want to reject a government compromise suggestion to meet Sudeten demands for territorial autonomy. The more conservative element, which fears the war menace, is lurging that the government plan be accepted as a basis of negotiation.
