

Contented Babies Smile

ND one way to keep babies well and contented is to see that their food agrees with them. So many doctors nowadays prescribe Irradiated Carnation Milk because they have found that it does agree with babies -it is so easily digested, it contains the full food value of rich, whole milk, and it has an extra supply of tooth protecting, bone building Vitamin D. The same reasons make Carnation Milk a valuable food for growing children and for the whole family.

For a new standard of tempting flavour and rich smoothness, use Irradiated Carnation Milk every day for all your cooking and creaming.

Write for these Carnation books: "The Contented Baby" is free. The Carnation Cook Book, containing a host of ideas and recipes, with full-page, fullcolour illustrations, is 15¢ (postpaid). Carnation Co., Limited,
