Says Varicose Veins Can Be Reduced

If you or any relative or friend is worried because of varicose veins, or bunches, as good advice for home treatment as any friend can give, is to get a prescription known as Moone's Emerald Oil.

Simply ask Ormes Ltd. or your druggist for an original bottle of Moone's Emerald Oil and apply night and morning to the swollen, enlarged veins. Soon you should notice that they are growing smaller and the treatment should be continued until the veins are no longer burdensome. So penetrating and efficient is Emerald Oil that it also helps simple swellings due to strain to disappear.
