THE 100% PURE PARAFFIN-BASE

asy

-WHEN YOU SWITCH TO TRITON . . . THE 100% PURE PARAFFIN-BASE OIL

In a recent 1024-car test, carbon knock, or "pinging" was greatly teduced or stopped in every car completing 3,000 miles with Triton motor oil.

Horsepower picked up an average of 5.4%.

Two-thirds of the drivers reported increased gasoline mileage.

All drivers reported generally improved performance.

The results are explained by propane-solvent refining. It makes Triton 100% pure parassin-base ...100% pure lubricant.

Get rid of costly carbon knocks and keep them out with Triton Motor Oil. Save on carbon scrapes, gasoline, motor-wear and oil drains. Have your independent Triton dealer or Union Oil Service station make the change-over today.
