Water Notice

L. Alfred Christian Garde of Prince Rupert, occupation Mining Engineer, give notice that on the 28th day of December, 1911, intend to apply to the Water Commissioner at his office in Prince Rupert for a license to take and use two cubic feet of water per second from an unnamed stream in the District of Coast Range S. Skeena Division, 1-4 mile east of the Tye Station, G.T.P. Ry. The water is to be taken from the stream about one-half mile above its outlet, and is to be used for developing power for a quarry situated at the outlet of said creek, along the Railway grade.

"WATER FIRST," MONTGOMERY

Newly Elected Alderman States His Impression of the City's Greatest Need and Says He Will Be Constructive.

"To my mind," said W. H. Montgomery, another newly elected alderman, "the water problem of the city is the very first to be attacked. I hope to see at least the installation of the pumping plant at Shawatlans Lake by the summer. The pipes across Shawatlans Passage ought to be laid without delay.

"They hint that I am radical and an obstructionist," he added to a News reporter, "but they'll find me very much on the side of constructive work and very much against the waste of time in speeches away from the point at issue in Council."

CAMOSUN'S LATEST

Wireless and New Modern State-rooms Added.

With wireless equipment in fine working order and a thorough overhauling, as well as two new state-rooms finely fitted up with bathrooms, the "old reliable" steamer Camosun has got onto the run again. The Camosun brought about twenty passengers north to Rupert this trip and had a number for Stewart. On her south trip tomorrow she will take William Manson, M. P. P., to Victoria for the session of the Legislature.

Don't Forget.

Installation of officers at the K. of P. Hall on Monday night at 8 o'clock.

Letters to the Editor

To the Editor of The News:

Dear Sir: In The Daily News of Jan. 5th I notice it states that a man named Dan McDonald is mentioned as having died of excessive drinking at Kitselas. I feel that an injustice is thereby being done Dan McDonald's numerous friends and also adding another sorrow to the affliction of his bereaved family.

Mr. McDonald did not die of excessive drinking, as inadvertently reported to you, but of pneumonia. I was acquainted with Dan McDonald for ten years and never knew him to be an excessive drinker.

Two days before his death it was brought to my notice that he was unwell. I summoned Dr. Traynor of this town and he pronounced the case as acute pneumonia and advised that he should be immediately removed to the hospital, as the chances for his recovery were nil.

I thank you in advance for the correcting of the wrong impression which misinformation has caused your paper to create in this matter. Yours truly,

FRANK A. ANGERS.
Kitselas, B.C.

(The News greatly regrets if the notice of Mr. McDonald's death, which came through the ordinary news channels, has proved to be an injustice to his memory, and gladly publish the letter of Mr. Angers to correct the previously published statement.—Ed.)

THREE DAY CURE FOR DRINK HABIT

Appeals to the Business and Professional Man,
the Banker, and Man in all the Higher
Walks of Life

BECAUSE OF THE TIME IT SAVES THEM

When a man's time is worth a great deal more to him than the cost of a drink habit cure he is not going to drag along for twenty-eight to forty-two days taking a treatment when he can get a cure in three days, without hypodermic injections, and be surrounded with every comfort of home.

A PERFECT CURE.

The Neal internal treatment cures the periodical, occasional or moderate drinker and the nervous man who has to drink to keep from becoming nervous. It takes away all inclination to drink, all desire and craving to drink, by neutralizing the poison of alcohol in the system and ridding the blood

of the poison by a rapid system of elimination, leaving the drinker in the condition that he was before tasting liquor, so far as the effect of alcohol may be concerned—all appetite for drink gone—and he a new man.

The treatment consists of the internal administration of a harmless remedy, tonic in its action, that removes the craving for liquor in a very few hours.

DRUG HABIT CURED.

At the Vancouver institute we also treat drug addicts with uniform success. Call, write or phone for booklet, giving full information.
