

BASKETBALL WAS PLAYED

Return Series of Games Staged At Bella Bella With Ocean Falls Teams

Ocean Falls girls' and senior men's basketball teams paid a return visit to Bella Bella. Two men's games were played, Bella Bella taking the first by a score of 36 to 34 while Ocean Falls won the second 33 to 19. The Ocean Falls girls won 14 to 12 after overtime.

The men's teams were well-matched and the games were featured by fast passing and close checking.

At the half-way mark in the first game the score was twenty-two all. Ding-dong play continued in the second half with first one side scoring and then the other. Willie Windsor was high scorer for Bella Bella with twelve points while Dave Williams led Ocean Falls with ten points.

Ocean Falls seniors took the floor for the second game in view of Ocean Falls having found it impossible to bring along its intermediate team as had been planned. The paper town players had the advantage of weight over the lighter Bella Bella players and had no difficulty in winning. Phillip Hall was high scorer for Bella Bella with eight points and Tinker high scorer for Ocean Falls also with eight points.

The girls' game was a closely contested one as the score would indicate and five minutes of overtime was required to decide the issue.

After the games, the players were entertained at the home of Caleb Williams where refreshments were served before the visitors left for home.

HOW THE WELL-LADEN BOXER LOOKS

The cruiserweight championship of England is the objective of Len Harvey as he takes up quarters at Hampstead Heath to prepare for his match with Jock McAvoy. Bright and early one morning he was caught trotting up the incline with all the gadgets necessary for his occupation.

PR. RUPERT BOYS WIN

Pr. Coast High School Girls Again Lost Basketball at Smithers

SMITHERS, April 19. — Prince Rupert High School boys scored another close victory over Smithers by a score of 35 to 29 in the second set of games here last night. Smithers girls repeated their victory over Prince Rupert, the score being 20 to 12.

The Prince Rupert teams left for home on today's train, accompanied by the Smithers teams who will play a return series at the coast. The Smithers girls will stop off at Terrace for a series of games on their way home.

Boys' Game
The Smithers boys scored first but were soon caught and it was near the end of the first half before the score was evened up at thirteen all. The first half ended 15 to 13 in favor of Prince Rupert. In the second half, the play was very fast with Prince Rupert extending its lead at times although being only one point ahead on several occasions. Prince Rupert checked much more effectively than did Smithers and seemed to have more tries at the basket.

Individual scores for Prince Rupert were: Lundquist, 12; Holkestad, 10; Brown, 8; Winslow, 4; Christian, 1.

Smithers individual scoring was as follows: Cunniff, 14; McIntyre 8; O'Neill, 4; Hetherington, 2; Raymond.

Girls' Game
In the girls' game, Smithers took the lead from the start and watered it, having the best of the play all the way through. There were two free throws for each side.

Following the games, there was a dance last night in honor of the visitors.

LOOK BOYS

a New C.C.M. with a Built-in "YALE" Lock

EVERY boy knows it is a good idea to lock his bicycle but he is not always successful in getting a really safe lock.

But now he can be sure that his bicycle is safely locked if it is a new C.C.M. Standard Roadster with a built-in "Yale" lock.

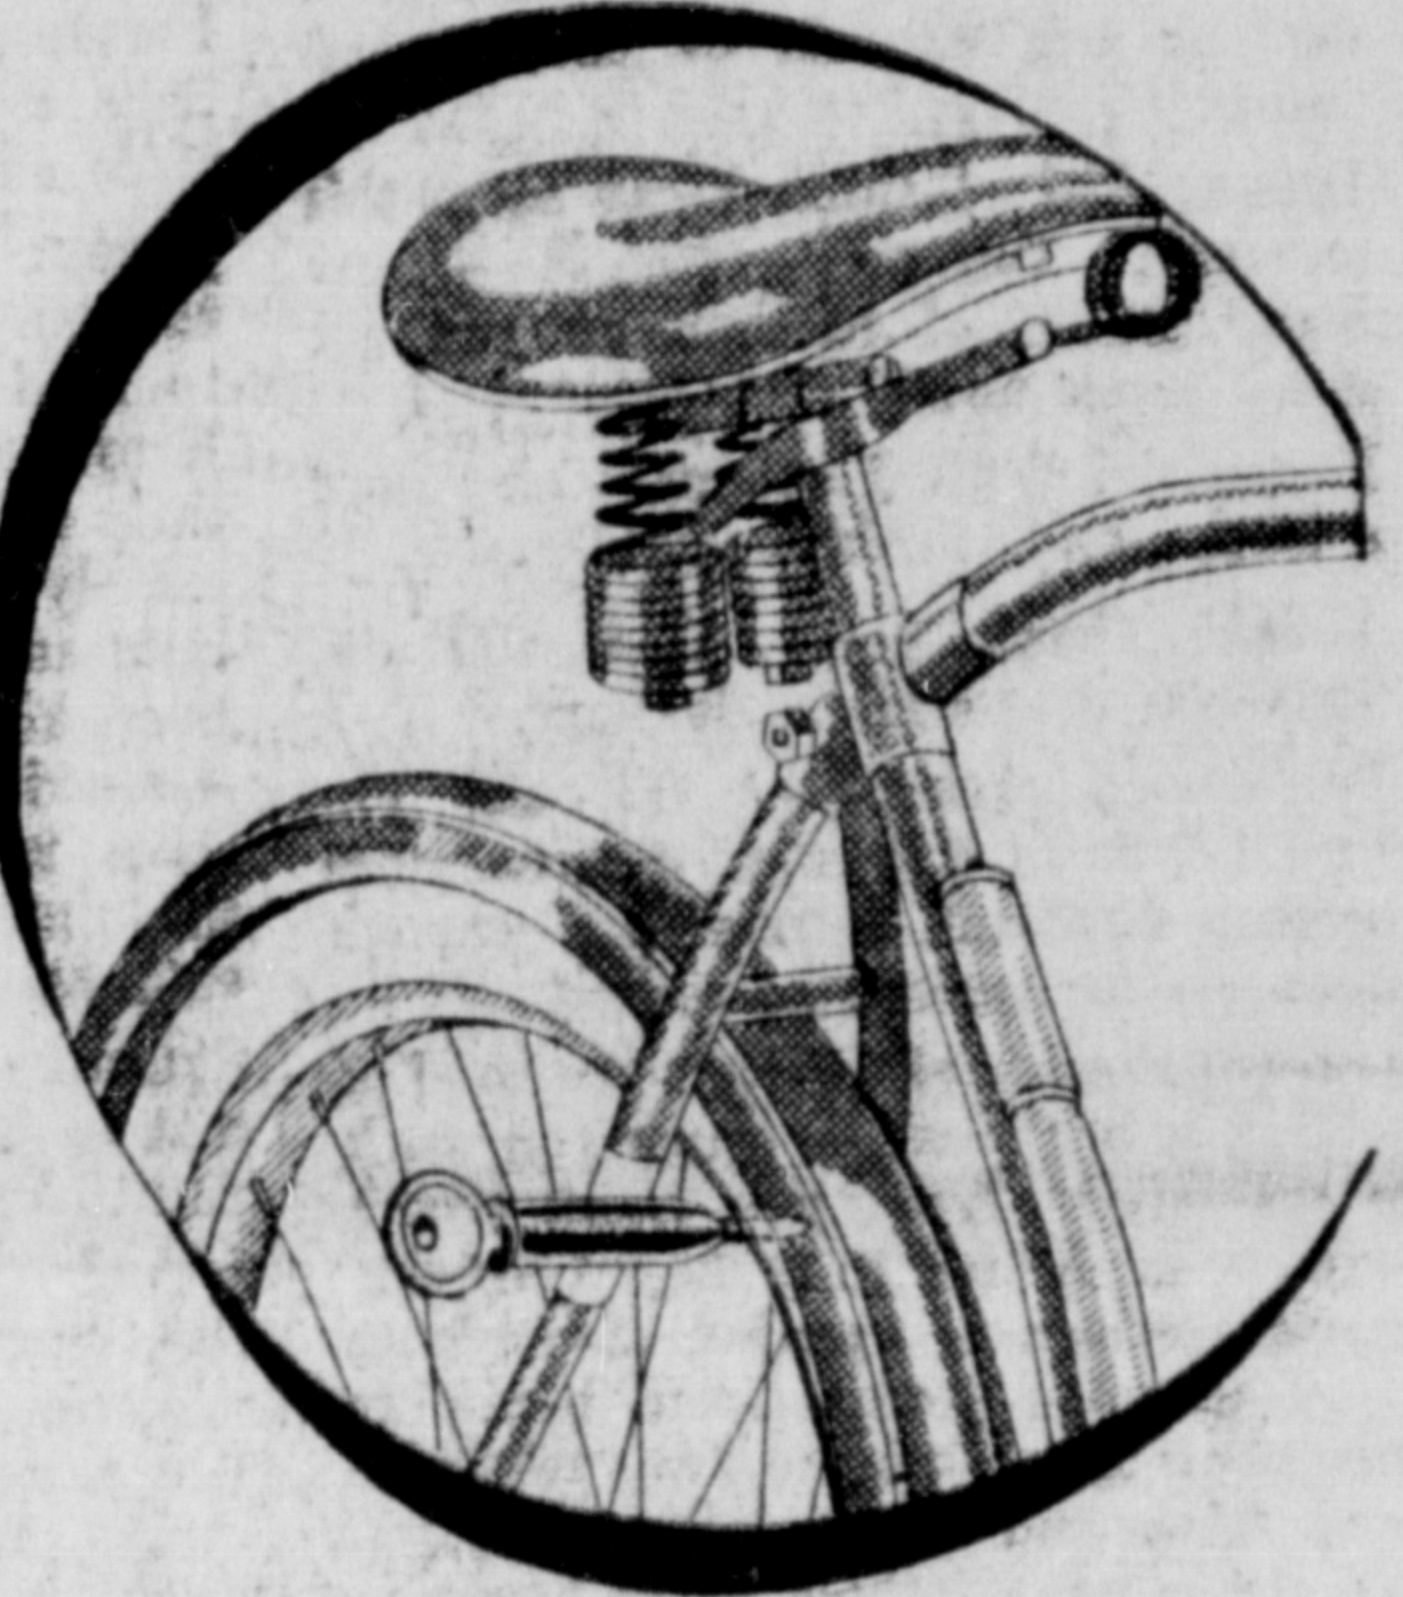

This smart new lock has been specially designed by the "Yale" and C.C.M. engineers to provide simple, convenient and positive protection for the new C.C.M.

Study the enlarged picture of this new lock and you will see how it is built right into the rear tubular fork of the bicycle. It is completely enclosed in its own little part of the fork. The key fits easily into the barrel lock and, when you turn it, a bolt is turned out between the spokes of the rear wheel, making it impossible to turn the wheel.

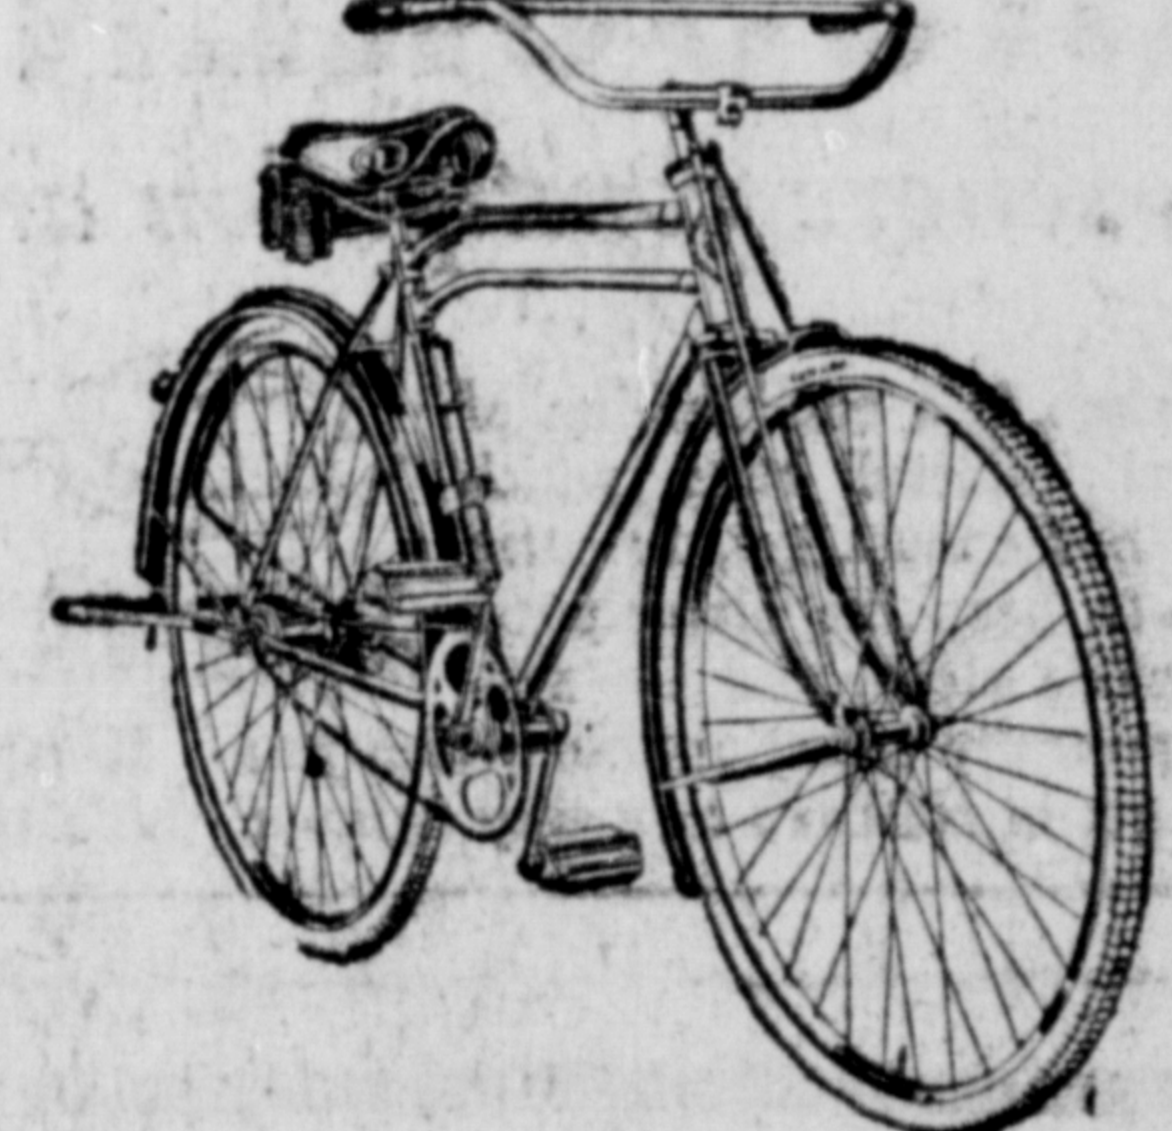

With this "Yale" lock on your new C.C.M. Standard Roadster, you can be sure that it is safely locked.

This new C.C.M. Model, like all C.C.M. Bicycles, is made with a frame of seamless steel tubing finished with several coats of baked-on enamel. It has the famous C.C.M. precision-built Triplex Hanger that makes C.C.M.'s so easy to pedal. Of course, it has the C.C.M. quick-acting coaster brake. All the bright parts are chromium-plated over C.C.M. 20-year nickel, the wheels have steel rims and rustless steel spokes, the tires are the well-known Dunlop "Fort".

When you are buying your new bicycle be sure to examine this fine new C.C.M. with the built-in "Yale" lock. See it at your nearest C.C.M. dealer's.

Section of rear fork, cut away to show how "Yale" Lock is built in.
