FINANCE AND ENGINEERING

Two Lengthy Reports Handed on to the New Council from the Last Meeting of the Old 1911 Council.

Copies of the reports of the Finance Committee and of the City Engineer for the year 1911 were handed to each member of the late City Council at the last council meeting on Saturday. The recommendation was passed that these reports be handed to the incoming Council. The balance sheet for 1911 was not ready, and the accountant, Mr. W. D. Vance, thought it hardly possible to promise it before February 1st. The City Engineer's report is a lengthy one, extending to some twenty pages, with illustrations in blue print and special plan of Woodworth Lake water scheme pipe line, and showing the proportion of grading done in the city. The report is complete and full in all essential details. It comes up at tonight's meeting of the new Council.

New Departure in Real Estate Sales for Prince Rupert Proved Interesting and Successful—Eight Lots Sold by Frank Ellis.

A new departure in real estate sales for Prince Rupert took place on Saturday afternoon, when Mr. F. A. Ellis, the successful auctioneer of Section 2 lots for the G. T. P., sold by auction on the spot a number of lots in Section 5. Following were the lots sold, their buyers and prices: Lot 14, block 32, to K. Smith, for \$1,550; lot 5, block 32, J. Gluck, \$975; lot 4, block 32, J. Gluck, \$1,300; lots 3 and 4, block 46, C. A. Smith, \$700. The above were advertised by dodger. Following were sold unadvertised and on the spur of the moment on the spot: Lot 39, block 22, J. Gluck, \$1,050; lots 32 and 33, block 22, J. Gluck, \$1,650. The total sum realized was \$7,225. A lively little crowd followed the sale with interest, and bidding went smartly.

Announcement is made this morning by Mr. H. Helgeson of the firm of O. M. Helgeson, Ltd., that his firm will hold in the future monthly auction sales of real estate in Prince Rupert on the spot. Particulars of these sales will be announced in the regular advertisements of the firm, and preliminary details will be gone into fully tomorrow. The first sale is to take place early in February.

WILL DEVELOP COAL LANDS

Five Companies Already Organized to Work on the Coal Deposits in the Groundhog District on the Upper Skeena.

The B. C. Brokerage has this week completed the organization of another syndicate which will start in next spring to develop a piece of the Groundhog coal fields. It will operate under the name of the Upper Skeena Anthracite Syndicate. They have twenty claims and development work will be done on all of them. Those interested in the company are all eastern capitalists, and they have the funds ready for operation.

This makes five companies now organized that will operate this year at Groundhog and there is every indication that at least three more will be organized in the near future. — Omineca Herald.

S. S. BEATRICE IN QUARANTINE

Case of Supposed Smallpox Discussed on Board at O. M. I.—Passenger Came from Rupert—May Be False Alarm.

When the C. P. R. steamer Princess Beatrice arrived in port yesterday afternoon it was made known at once to the waterfront officials and her agents here that she had landed a passenger from Prince Rupert at Queen Charlotte City who was believed to be suffering from smallpox. Efforts had been made by the officers on board to get into communication with Victoria to see about quarantining the ship here. At 4 p. m. no information had been received and the vessel was kept isolated at the wharf. A wire arrived shortly afterward from Dr. Fagan, quarantine officer at Victoria, ordering the Beatrice to proceed to William's Head to be quarantined. No passengers, of course, could go south with her. It is said that the case of supposed smallpox may not turn out to be so serious after all. The patient was not a foreigner, and the complaint was apparently mild.

THREE DAY CURE FOR DRINK HABIT

Appeals to the Business and Professional Man, the Banker, and Man in all the Higher Walks of Life

BECAUSE OF THE TIME IT SAVES THEM

When a man's time is worth a great deal more to him than the cost of a drink habit cure he is not going to drag along for twenty-eight to forty-two days taking a treatment when he can get a cure in three days, without hypodermic injections, and be surrounded with every comfort of home.

A PERFECT CURE.

The Neal internal treatment cures the periodical, occasional or moderate drinker and the nervous man who has to drink to keep from becoming nervous. It takes away all inclination to drink, all desire and craving to drink, by neutralizing the poison of alcohol in the system and ridding the blood

of the poison by a rapid system of elimination, leaving the drinker in the condition that he was before tasting liquor, so far as the effect of alcohol may be concerned—all appetite for drink gone—and he a new man.

The treatment consists of the internal administration of a harmless remedy, tonic in its action, that removes the craving for liquor in a very few hours.

DRUG HABIT CURED.

At the Vancouver institute we also treat drug addicts with uniform success. Call, write or phone for booklet, giving full information.
